# tonight s best

## Scott Speedman

#### 8 p.m. on HBO Music Box

This music documentary series created by filmmaker Bill Simmons ("Woodstock '99") continues with Jagged," Alison Klayman's examination of Canadian singer Alanis Morissette and her rise to fame that accompanied the release of her landmark album "Jagged Little Pill." While the film includes some biographical context of Morissette, Klayman refines her focus primarily on the album itself, accompanied by backstage and concert footage, plus raw vocal tracks. Interviews include multiple members of Morissette's touring band, led by future Foo Fighter Taylor Hawkins.

#### 9 p.m. on ABC Grey's Anatomy

As Thanksgiving arrives, Meredith (Ellen Pompeo) faces weather-related complications with her travel plans, but Nick (Scott Speedman) wastes no time stepping up in more ways than one in the holiday episode "Every Day Is Like a Holiday (With You)." Elsewhere, Amelia and Link (Caterina Scorsone, Chris Carmack) reconnect, while Richard and Bailey (James Pickens Jr., Chandra Wilson) seek out emergency surgeries. Kevin McKidd also stars.

### 10 p.m. on TRUTV Tacoma FD

Eddie (Steve Lemme) is understandably thunderstruck to discover that his divorce lawyer was technically never really a lawyer, which means that Eddie's multiple divorces were never really finalized in the new episode "Eddie's Exes." Meanwhile, the crew chips in to buy the latest Pedalton bike for the station, but all of them fall for the same trainer.

#### 10 p.m. on WE A House Divided

Season 2 of this juicy family drama opens with "Now You're In," which sees Cameran Jr. (Brad James) taking his best shot at Carissa (Demetria McKinney). Elsewhere, Torrance (Steph Santana) is in rest-and-recovery mode, while also keeping a secret to protect his brother. Meanwhile, Cameran Sr. (Lawrence Hilton-Jacobs) returns from exile in Panama and tries to pick up the pieces of his empire. Dominique DuVernay and Willie Albert Loman III co-star. Another new episode immediately follows.
