HOROSCOPES by Stella Wilder

WEDNESDAY, NOVEMBER 17, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are not at all what those in the know would call "a star," and yet what do those in the know really know, anyway? The truth is that you have been endowed with such personality and such talent that you are likely to send the experts reeling when, indeed, you do attain a level of stardom thought to be unattainable. This level of success, though possible for you surely, is likely only to be yours if you refuse to accept what the naysayers have to say.

THURSDAY, NOVEMBER 18
SCORPIO (Oct. 23-Nov. 21) -- Your curiosity will serve you quite well today, but it is not a substitute for industriousness. You must get busy and get things done!

SAGITTARIUS (Nov. 22-Dec. 21) -- You can get some learning done today, but don't think that this will solve all your problems. Some may require an unusual approach.

CAPRICORN (Dec. 22-Jan. 19) -- The way you express yourself today will make all the difference -- to you and your audience. You'll want to be clear but colorful!

AQUARIUS (Jan. 20-Feb. 18) -- You have some decisions to make today before you put yourself in the running for something for which the competition is likely to be fierce.

PISCES (Feb. 19-March 20) -- You may be getting yourself into something that you're not quite ready for -- but you can avoid any serious problems by staying clearheaded.

ARIES (March 21-April 19) -- You'll be deeply immersed in things that others have set in motion and, by day's end, you may actually find yourself in charge of one or two.

TAURUS (April 20-May 20) -- You'll be focused on that which others have ignored or abandoned, and you'll come to realize that you benefit from a whole different mindset.

GEMINI (May 21-June 20) -- Listen to what goes on around you today and you'll be ready to make an important contribution when the time comes. Don't step out of line.

CANCER (June 21-July 22) -- You'll be able to gain the advantage over a competitor today simply by staying "within the lines." This is no time for sloppiness of any kind.

LEO (July 23-Aug. 22) -- What others do today needn't affect you directly, but you can learn a thing or two about your own work by drawing implied but honest comparisons.

VIRGO (Aug. 23-Sept. 22) -- You may not think you have the answers today, but the fact is that though you're not likely to say much, what you do will allow you to prevail.

LIBRA (Sept. 23-Oct. 22) -- You must avoid doing anything that might be seen as unoriginal today. Trust your instincts, and do only those things that are organic.
