HOROSCOPES by Stella Wilder

THURSDAY, NOVEMBER 18, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you have so much going for you at times that you may not be able to determine just what is best for you, or what direction you should go in, or what opportunities you should take advantage of in order to make the most of your talents. You are hardworking and fun-loving, and you are able to derive great enjoyment from almost any activity that allows you to develop your skills and broaden your horizons. You love to strive for more, even when success is not likely, and your lust for knowledge will keep you going, despite any odds that might be against you.

FRIDAY, NOVEMBER 19
SCORPIO (Oct. 23-Nov. 21) -- You may receive a shock to the system today, but once you've recovered from the surprise, you'll use the information received quite well.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may have others looking at you with some curiosity today as you try things that are not on the list of "accepted" options. So what? CAPRICORN (Dec. 22-Jan. 19) -- You mustn't jump to conclusions today! Use what you know to assemble a stable structure of facts on which you can build with confidence.

AQUARIUS (Jan. 20-Feb. 18) -- Communication is essential today, especially when dealing with things others find difficult. Empathy is an essential component.

PISCES (Feb. 19-March 20) -- You may not be able to partner with a favorite collaborator, but use your imagination and you can do all you need on your own.

ARIES (March 21-April 19) -- You must resist the temptation to point the finger at others today; accept that you are the responsible party, and fix or avoid errors!

TAURUS (April 20-May 20) -- You'll receive encouragement today from someone who will soon need some in return -- and you'll be in a position to give it, surely.

GEMINI (May 21-June 20) -- What goes around comes around today, and you'll want to put yourself in just the right position to receive what is rightfully yours.

CANCER (June 21-July 22) -- A simple, kind gesture can work wonders today, especially where an emotionally charged issue is concerned. You and a friend express gratitude.

LEO (July 23-Aug. 22) -- You may be asked to double down on your commitment to a cause that, only yesterday, you weren't sure you believed in -- but now is the time!

VIRGO (Aug. 23-Sept. 22) -- You may have trouble fixing your thoughts on anything to the exclusion of all else, but that kind of focus will be required at least once or twice.

LIBRA (Sept. 23-Oct. 22) -- You may at first base your calculations today on that which is only hinted at -- but later you'll receive confirmation that you are correct.
