Rudolph the Red-Nosed Reindeer

The beloved "Animagic" tale of the most famous reindeer of all offers a thoughtful lesson about discrimination. Young Rudolph is teased by the other reindeer and excluded from their games because his nose is different. His taunters sing a different tune, though, when Rudolph uses the trait to keep Christmas from being canceled. Burl Ives is the voice of Sam the Snowman, who narrates the story and renders the title tune (of course) plus "A Holly Jolly Christmas."

Holiday Baking Championship: Gingerbread Showdown

In the new episode "Have Yourself a Scary Little Christmas," the Abominable Snowman comes out of hiding to startle the teams and inspire them creatively for the theme of a Monster Christmas. Since monsters probably love a dessert that's on the oozy side, host Jesse Palmer challenges the teams to make an oozing caramel dessert to accompany their display.

Intervention

By some miracle, Elliot overcame a traumatic childhood, then moved as an adult to Las Vegas to pursue his dream of becoming a chef in this new episode. Unfortunately, he discovered a rampant drug culture in restaurant kitchens throughout the city. Those temptations, along with the sudden death of his brother, sent Elliot reeling into full-blown addiction. Now he's homeless and hooked on heroin.
