Top Gear

In their fifth season behind the wheel, hosts Freddie Flintoff, Chris Harris and Paddy McGuinness hit the road again in search of challenges that will push them and their vehicles to the limit. Details on tonight's premiere will be revealed at a later date, but a new trailer for the season includes footage of the main trio attending the British Grand Prix, going electric caravanning, traveling to Iceland on an international expedition and Flintoff's attempt at zorbing (rolling downhill inside an orb).
