Frosty

5 p.m. on ANP Meet the Meerkats

Actor and writer Rob Delaney ("Catastrophe") narrates this delightful new wildlife series, which follows three rescued meerkat families (appropriately known as "mobs") who were snatched up by their human protectors as pups when they were easy prey for the illegal wildlife trade. Now mature, the feisty critters are being returned to their rightful home in the Kalahari Desert, where they are learning the ins and outs of life in the wild for the first time. Another new episode immediately follows this series premiere.

8 p.m. on CBS Frosty the Snowman

In this animated classic, Jackie Vernon provides the voice of Frosty, the legendary snowman with a corncob pipe and a button nose. Frosty comes to life when a magician's hat lands on his head. With the help of children, he heads for the North Pole before he melts — but he's pursued by the magician, who wants his hat back. Billy De Wolfe supplies the voice of the magician, and Jimmy Durante narrates the tale. The sequel "Frosty Returns" immediately follows.

8 p.m. on CW Masters of Illusion: Christmas Magic 2021

Dean Cain says he doesn't want to know how the illusionists pull off their tricks, he just wants to be dazzled by them, which makes him the perfect host for this annual special holiday episode with a distinctive yuletide feel. Whether it's a magician pulling gifts out of an apparently empty bag or people entering a box dressed as an elf, but reappearing as a snowman, the hour-long special never skimps on Christmas magic.

8:30 p.m. on NBC 5 More Sleeps 'til Christmas

Adapted from Jimmy Fallon's bestselling yuletide Christmas book, this new half-hour animated special follows a bookish little boy who eagerly counts down the final days before Christmas, accompanied by his little sister and trusty blue dog. Every night it becomes a little harder for him to drift off to sleep, yet every night when he finally does, something magical happens.
