**HOROSCOPES** by Stella Wilder

SATURDAY, NOVEMBER 20, 2021  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are one of the most highly principled and hardworking individuals born under your sign. You will pursue your goals with tireless dedication, and you are guided every day by ideals that have been born and shaped of experience and fair dealings again and again with other individuals who cross your path in both your professional endeavors and personal affairs.

SUNDAY, NOVEMBER 21  
SCORPIO (Oct. 23-Nov. 21) -- The benefits you get from agreeing with others and going along with the crowd will likely exceed your expectations today. Don't be resistant!  
SAGITTARIUS (Nov. 22-Dec. 21) -- This is a good day for you to dream -- and dream big! Remember, however, that you must accept reality when faced with it directly.  
CAPRICORN (Dec. 22-Jan. 19) -- You've been free of certain irritations for quite a while, but today you may have to dive into a situation that brings them all back.

AQUARIUS (Jan. 20-Feb. 18) -- An offer comes your way that requires you to rethink something you've been settled on for a while. More changes like this are on their way.

PISCES (Feb. 19-March 20) -- You want to be where the action is, but you don't want to surround yourself with those who may be incompatible. Technology is the answer!  
ARIES (March 21-April 19) -- You've been hoping for certain things to happen in certain ways, and today's the day -- but you cannot expect everything to go your way.

TAURUS (April 20-May 20) -- Take care you don't work yourself into the ground today or allow your batteries to run down. Give yourself the breaks you need -- regularly!  
GEMINI (May 21-June 20) -- You may feel that it's a good time to risk it all on something rather far-fetched, but you must try to be more realistic than that today.  
CANCER (June 21-July 22) -- You are feeling farther than usual from those who give you inspiration and encouragement. Don't let another day go by -- get in touch!  
LEO (July 23-Aug. 22) -- You should be able to take advantage of a rare opportunity today, but you must be sure to give others all due credit if you're successful.  
VIRGO (Aug. 23-Sept. 22) -- Don't let others take a close look at what you are doing -- just yet. You must work harder to get the details right before the unveiling.  
LIBRA (Sept. 23-Oct. 22) -- How you express yourself will make all the difference today as you try to convince someone that you're the right person for a difficult job.
