HOROSCOPES by Stella Wilder

WEDNESDAY, NOVEMBER 24, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you have a great deal of talent, and a colorful, memorable personality -- but that combination isn't always going to serve you well, for you may at times be quite difficult to work with or collaborate with on any level. You are keenly insightful and highly intelligent, and you like to find opportunities to let other people know just how insightful and intelligent you are -- and that, frankly, can rub people the wrong way. You don't have to tell them you are these things when you demonstrate both liberally, day in and day out.

THURSDAY, NOVEMBER 25

SAGITTARIUS (Nov. 22-Dec. 21) -- You must work hard to maintain momentum today, or you'll find yourself slipping further and further back in the pack. You want to win!

CAPRICORN (Dec. 22-Jan. 19) -- You want to deal in nothing but what you can prove today; steer clear of rumor, innuendo and outright falsehoods -- they are everywhere.

AQUARIUS (Jan. 20-Feb. 18) -- Your ability to see through someone's attempts to fool you in some way will allow you to avoid falling into a dangerous trap.

PISCES (Feb. 19-March 20) -- You can follow the rules today and still find room to improvise -- just a bit. The moments that really count are those that surprise you.

ARIES (March 21-April 19) -- Now is not the time to promote a false idea of who you are or what you can do. You must deal honestly with those who are "vetting" you.

TAURUS (April 20-May 20) -- Your involvement in a shadow project can make all the difference today; before long, your work may finally be thrust into the spotlight.

GEMINI (May 21-June 20) -- You will want to save money today -- but there is still something upon which you want to splurge. How will you reconcile these conflicting desires?

CANCER (June 21-July 22) -- You may not appreciate being bombarded with questions today, but you'll surely benefit from trying to answer them clearly.

LEO (July 23-Aug. 22) -- You may be ready to step aside and let someone take charge for a while. Ask yourself if you're really getting all you want out of your work.

VIRGO (Aug. 23-Sept. 22) -- You may be tempted to bend the rules a bit today, but know that someone will be looking over your shoulder. You can take this only so far!

LIBRA (Sept. 23-Oct. 22) -- You're likely to enjoy one single opportunity to prove your point today, but if you miss it, you're likely to be in hot water for a while.

SCORPIO (Oct. 23-Nov. 21) -- Someone is likely to recognize you as an authority of sorts today on a topic that does not often land front and center. Do your thing.
