HOROSCOPES by Stella Wilder

THURSDAY, NOVEMBER 25, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you have been blessed with laser focus and the ability to stick with something to the bitter end, no matter how difficult or taxing it may be. You have a great deal of stamina, both physically and emotionally, and you will surely familiarize yourself again and again with troubles and hardships -- if for no other reason than that the things you often want to do are complex and difficult.

FRIDAY, NOVEMBER 26
SAGITTARIUS (Nov. 22-Dec. 21) -- You may feel that you can get away with anything today, but that's not the case -- as events late in the day will make abundantly clear.

CAPRICORN (Dec. 22-Jan. 19) -- A careful breakdown of the day's events will lead you to a renewed understanding of what is expected from you -- and what you can deliver.

AQUARIUS (Jan. 20-Feb. 18) -- You'll face a few difficult decisions today that must be made before the sun goes down. Others are waiting on you to fulfill a promise.

PISCES (Feb. 19-March 20) -- You may suddenly find yourself reacting in unusual ways to developments that were fully expected. Something is disrupting natural rhythms.

ARIES (March 21-April 19) -- You may surprise everyone today by withdrawing into the background. Though widely misunderstood, this is done out of self-preservation.

TAURUS (April 20-May 20) -- Your instincts are likely to lead you down an unfamiliar path today, but that's when your experience will kick in and ensure your safe passage.

GEMINI (May 21-June 20) -- Do not underestimate your own power. You can do a great deal simply by asserting yourself in a normal way. You needn't take center stage.

CANCER (June 21-July 22) -- A minor setback needn't become a serious liability, but you must be willing to take action as quickly as possible. Any delay proves dangerous.

LEO (July 23-Aug. 22) -- The combination of outlook and aptitude will allow you to perform quite well under pressure today. You've been ready for this for some time.

VIRGO (Aug. 23-Sept. 22) -- Your goals are likely to conflict with those of a loved one at this time, and someone is going to have to back down. Consider options.

LIBRA (Sept. 23-Oct. 22) -- You may be trying to exert too much control over events that do not really concern you. You must be willing to let others do what they will.

SCORPIO (Oct. 23-Nov. 21) -- Those closest to you will be in a position to warn you against a coming danger. By day's end, you'll know whether or not you must listen.
