HOROSCOPES by Stella Wilder

FRIDAY, NOVEMBER 26, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are one of the most creative individuals born under your sign, but unlike a great many other creative individuals -- born under any sign -- you are likely to have a good idea of what you want to do with your life from a relatively early age. Follow this desire faithfully, and you're sure to enjoy remarkable and even unprecedented success in the field of your choice -- and make quite a name for yourself in the process. You are hopeful, optimistic, forward-thinking and uncommonly wise -- and all of this is likely to be reflected in your work. In your personal life, however, you can be somewhat sour and irascible.

SATURDAY, NOVEMBER 27
SAGITTARIUS (Nov. 22-Dec. 21) -- Something promised long ago can be delivered today, and you'll be free of any further obligation where this situation is concerned.

CAPRICORN (Dec. 22-Jan. 19) -- You must ensure that your work is free of all errors before submitting it today. No one is likely to be sympathetic of careless mistakes.

AQUARIUS (Jan. 20-Feb. 18) -- You must show some enthusiasm today if you want those around you to do the same. You are the one they are looking to as an example.

PISCES (Feb. 19-March 20) -- Something is likely to affect you quite strongly today, though indirectly at first. How you react makes things better -- or worse.

ARIES (March 21-April 19) -- You're becoming a little too concerned with how long your work will last when you must instead focus on accuracy above all else.

TAURUS (April 20-May 20) -- You're in no mood to play any guessing games today; get information from the most reliable sources and make decisions based on hard facts.

GEMINI (May 21-June 20) -- What you've avoided in the past may be most appropriate today -- and you'll have to decide whether to face it now or drop the issue for good.

CANCER (June 21-July 22) -- You can reconcile with a friend or partner who has been on the outs for quite some time -- but the final decision may not be yours to make.

LEO (July 23-Aug. 22) -- You may have to change tactics today as a result of a shift in currents that run beneath the surface. What you don't know is a major concern.

VIRGO (Aug. 23-Sept. 22) -- This is not a good day for keeping secrets of any kind -- though there are certain things that are not yet ready to be universally shared.

LIBRA (Sept. 23-Oct. 22) -- You will want to look carefully at what others have overlooked to determine for yourself what really matters and what can be disregarded.

SCORPIO (Oct. 23-Nov. 21) -- A subtle change is on the horizon, and you can do much to prepare for it -- but not everyone is going to agree that this is good for you.
