**HOROSCOPES** by Stella Wilder

SATURDAY, NOVEMBER 27, 2021

**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are likely to be known for doing your own thing, and surely in both private and public settings you feel in no way bound to adhere to the kinds of rules and regulations that most other individuals follow on a daily basis. But this is your particular gift! You are able to avoid falling into the everyday traps that would hold you back. You shine brightly doing the kinds of things that others do not feel able, ready or permitted to do.

**SUNDAY, NOVEMBER 28**  
**SAGITTARIUS** (Nov. 22-Dec. 21) -- Your sense of right and wrong comes in handy today, as you're likely to be propositioned by someone whose ideas are suspect.

**CAPRICORN** (Dec. 22-Jan. 19) -- You can trust yourself to know where to go -- and how to get there -- but take care that you aren't ignoring someone's keen advice.

**AQUARIUS** (Jan. 20-Feb. 18) -- You are treating others fairly, and you insist upon the same treatment in return. You may have to scold those who don't oblige you today.

**PISCES** (Feb. 19-March 20) -- It's likely that you'll have to say something you would otherwise regret -- but today a great many unusual things are likely to happen.

**ARIES** (March 21-April 19) -- An early start is recommended, but if you aren't able to make headway during the first part of the day, you can surely catch up later on.

**TAURUS** (April 20-May 20) -- By giving another what you believe they deserve, you'll be giving yourself something valuable as well. Interactions take on increased value.

**GEMINI** (May 21-June 20) -- You are coming up with one good idea after another at this time, but today you may want to focus on only one or two with the most promise.

**CANCER** (June 21-July 22) -- You are the right person for the job at hand, and now that you know it, all you have to do is persuade the powers that be that you're correct!

**LEO** (July 23-Aug. 22) -- You can make amends with someone today even as you promote your own agenda. You mustn't think work and friendship are incompatible!

**VIRGO** (Aug. 23-Sept. 22) -- You may not get the specific answers you are looking for today, but the questions you ask can steer others in the right direction.

**LIBRA** (Sept. 23-Oct. 22) -- Stick to the schedule that you've worked so hard to make. Others are sure to appreciate the effort you've made to include them today.

**SCORPIO** (Oct. 23-Nov. 21) -- Right or wrong, you can still impress others with your sense of style today -- and your willingness to jump into things with abandon.
