HOROSCOPES by Stella Wilder TUESDAY, NOVEMBER 30, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you possess a positive view of the world and a forward-thinking outlook, and yet for all this there are some people who dismiss you as being nothing but self-serving -- and nothing could be further from the truth! To say that you are concerned with your own well-being is no falsehood, but that is because you know how important it is for you to be in tiptop condition in order to do the things you wish to do -- and those things are almost always in collaboration with others. WEDNESDAY, DECEMBER 1 SAGITTARIUS (Nov. 22-Dec. 21) -- It may fall to you today to keep others under control, but you have a "secret weapon" that will come in handy at just the right times. CAPRICORN (Dec. 22-Jan. 19) -- You've been burned once or twice in the past, but that has given you the wisdom you need to avoid a similar situation. Protect yourself! AQUARIUS (Jan. 20-Feb. 18) -- You needn't bend over backward today to satisfy someone whose directives you are carrying out; you merely have to do the job efficiently. PISCES (Feb. 19-March 20) -- You'll be feeling lucky today as things happen that propel you forward with little effort -- but don't think that this will keep happening! ARIES (March 21-April 19) -- You may come very close to crossing the line today as far as a friend or loved one is concerned. Talk about it before you actually go too far. TAURUS (April 20-May 20) -- You may find yourself looking back at a "better time" -- but before this day is out, you'll realize that things are going very well for you. GEMINI (May 21-June 20) -- Something you had expected to be done with demands even more attention today. You have a job to do that requires some self-assessment first. CANCER (June 21-July 22) -- It's time for you to engage after a period of solitude. You know what is expected of you, and you can fulfill all requirements. LEO (July 23-Aug. 22) -- Someone comes to your assistance today just in time. You can learn much from this turn of events -- and you'll return the favor soon. VIRGO (Aug. 23-Sept. 22) -- You mustn't approach a tricky situation as if you think it is tricky. Rather, you want those near you to think you have things well in hand. LIBRA (Sept. 23-Oct. 22) -- Avoid giving orders or throwing your weight around today; do what you can to show others your more sensitive side. A friend reaches out. SCORPIO (Oct. 23-Nov. 21) -- You have more authority at this time than you may have expected, but what can you really do with it under the current tricky circumstances?
