Robert Stigwood

8 p.m. on CW Walker

After Micki (Lindsey Morgan) comes clean to Trey (Jeff Pierre) about her past, the couple question what that revelation means in terms of their future in the new episode "Douglas Fir." As Micki considers whether she just needs to start a new chapter in her life, Walker and Liam (Jared Padalecki, Keegan Allen) set their differences aside after Denise (guest star Amara Zaragoza) asks them to investigate a case. Meanwhile, their dad, Bonham (Mitch Pileggi), plays Santa at an annual Christmas party.

8 p.m. on HBO Music Box

John Maggio's music documentary "Mr. Saturday Night" chronicles the meteoric career ascent of Australian entrepreneur Robert Stigwood, who was so inspired by a magazine article on the Brooklyn night club scene that he made a movie about it. That movie, "Saturday Night Fever," became nothing less than a cultural touchstone for 1977, turning actor John Travolta into a global superstar in the process. The platinumselling soundtrack also gave a shot of adrenaline to disco, thanks to four number-one hits from the Bee Gees.

10 p.m. on WE A House Divided

This steamy nighttime soap closes out Season 2 with two back-to-back episodes, starting with "Willing to Sacrifice," in which Summer (Parker McKenna Posey) loses control and begins to act out. Elsewhere, Cameran Sr. (Lawrence Hilton-Jacobs) faces a new threat from Nigel (Chris Attoh), while Tito (Cisco Reyes) foolishly tries to back Carissa (Demetria McKinney) into a corner. Later, Cameran Sr. confronts his son (Brad James) about his secrets, and Carissa and Stephanie (Paula Jai Parker) face a common threat in Alexis (LisaRaye McCoy). The finale immediately follows.
