Movie: Dr. Seuss' The Grinch

The 1966 animated adaptation of Dr. Seuss' beloved yuletide tale narrated by Boris Karloff is incomparable in its simplicity, but this 2018 CGI-animated retelling has its own rewards, chief among them Benedict Cumberbatch's sly — and completely un-Karloffian — voice work as the title character. Other voices include Rashida Jones, Kenan Thompson and Angela Lansbury.

9 p.m. on CBS
The 44th Annual Kennedy Center Honors

Singer-actress Bette Midler and Motown Records founder Berry Gordy are among the honorees as this year's gala ceremonies return with an in-person audience to the John F. Kennedy Center for the Performing Arts, after last year's event made do with smaller groups of attendees at multiple venues around the Kennedy Center grounds. In addition to Midler and Gordy, other award recipients feted during the program include operatic bass-baritone Justino Diaz, "Saturday Night Live" executive producer Lorne Michaels and singer-songwriter Joni Mitchell. This special was taped on Dec. 5.

9 p.m. on NGeo
Trafficked With Mariana van Zeller

A new episode takes Mariana van Zeller inside the world of outlaw motorcycle gangs, also known as "1 percent clubs," after a string of biker-related acts of violence captures her attention. Despite a strict code of silence scrupulously observed by most members of this culture, she manages to interview members of three major bike clubs, as well as cartel contacts and agents from the Bureau of Alcohol, Tobacco, Firearms and Explosives. She leaves with a deeper understanding of the bonds of blood and brotherhood that fuel these clubs.
