**HOROSCOPES** by Stella Wilder

THURSDAY, JANUARY 6, 2022  
YOUR BIRTHDAY by Stella Wilder  
Born today, you see things not always as they are, but as you would like them to be, and you work hard to ensure that the world around you is organized and functions in a manner that satisfies your need for order and discipline. Does this mean you'll be able to move the sun, the moon and the stars? Not at all -- but what it does mean is that you will assign meaning to seemingly random patterns and events and thus be able to deal with them in a productive and forward-thinking manner.

FRIDAY, JANUARY 7  
CAPRICORN (Dec. 22-Jan. 19) -- You'll encounter some danger today, but most should be right where you expect it. The one real surprise you uncover is dealt with quickly.

AQUARIUS (Jan. 20-Feb. 18) -- A good day is made up of things that you cobble together from past days that didn't go so well. This is how you can score a victory today!

PISCES (Feb. 19-March 20) -- Don't turn your nose up at scraps today; you can make something memorable out of the kinds of things that others discard. Advise an Aquarian.

ARIES (March 21-April 19) -- You'll be able to pull yourself out of a sticky situation that has been building for some time. Now you can bid it farewell -- for good.

TAURUS (April 20-May 20) -- Just because something can happen doesn't mean it will happen. Your ability to effect change is likely to figure prominently in all things today.

GEMINI (May 21-June 20) -- Give someone a chance to do what you've already done many times. You may discover a new delight in being a passive observer.

CANCER (June 21-July 22) -- You mustn't let a competitor get the best of you today. If you find yourself behind the eight ball, a trick shot can set you free!

LEO (July 23-Aug. 22) -- You have what it takes to impress even those who are very rarely impressed today -- and you know who they are and what it takes to move them.

VIRGO (Aug. 23-Sept. 22) -- You can enjoy a good day once you've dispensed with one piece of uncomfortable personal business. You've surely put it off long enough!

LIBRA (Sept. 23-Oct. 22) -- That which is undone can be done today with little extra effort -- provided you are not letting momentum diminish because of the mood you're in.

SCORPIO (Oct. 23-Nov. 21) -- Now is the time to give someone what you've been asked for over a long period of time. There's no reason to hold out any longer.

SAGITTARIUS (Nov. 22-Dec. 21) -- Take care that you don't let what you hear through the grapevine throw you off balance. You know what to believe and what not to believe.
