HOROSCOPES by Stella Wilder

SATURDAY, JANUARY 8, 2022
YOUR BIRTHDAY by Stella Wilder
 Born today, you are going to learn, at a remarkably early age, to enjoy your own company and to cherish the moments you have entirely to yourself -- for it is likely that you will be thrust into the limelight when still young, and you don't want to be robbed of the kind of inner life that others enjoy because they are not in the public eye all the time. You have singular talents, however, so retiring from public life, once you've been thrust into it, is not likely to be an option.

SUNDAY, JANUARY 9
CAPRICORN (Dec. 22-Jan. 19) -- Your passions may be ignited today, but by the most unusual of events. A pending new undertaking requires some careful planning.

AQUARIUS (Jan. 20-Feb. 18) -- You may be thrust into a situation that will require you to learn very quickly. Comparisons to someone before you are inevitable.

PISCES (Feb. 19-March 20) -- Controlling yourself may prove difficult today, especially as there are those who might well go out of their way to create trouble for you.

ARIES (March 21-April 19) -- Take care that in pursuing your own agenda today you don't trample on someone else's. There's room for everyone's plans and ideas at this time.

TAURUS (April 20-May 20) -- Take care that your trust isn't abused today. No one has the right to take what is offered and turn it against you. Protect yourself.

GEMINI (May 21-June 20) -- You're likely to be immersed in something today that, while new, reminds you of something familiar. You can use this to your advantage.

CANCER (June 21-July 22) -- You're approaching certain obstacles today that will require you to make use of knowledge only recently gained. This turns out well.

LEO (July 23-Aug. 22) -- The more creative you are today, the more you will be able to do what pleases the powers that be -- who are expecting you to excel, in fact.

VIRGO (Aug. 23-Sept. 22) -- Thoughts of recent expenses may have you fearing any further outlay of cash, but saving every penny may not be possible for you right now.

LIBRA (Sept. 23-Oct. 22) -- It's time for you to tend to some practicalities, even as you focus on something that is much more along the lines of a dream or fantasy.

SCORPIO (Oct. 23-Nov. 21) -- You can get things done, surely, but that may not be enough today. Look back at a recent accomplishment to know what's required.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may have trouble convincing another of the importance of following the rules. A surprise event gives you more power than usual.
