HOROSCOPES by Stella Wilder

WEDNESDAY, JANUARY 12, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you are a natural strategist, and it will depend upon the circumstances and situations that develop around you at any given time whether your ability to plan and implement will be used, ultimately, for good or ill -- and that, in turn, will determine the overall trajectory of your life.

PISCES (Feb. 19-March 20) -- You're more interested in making the traditional work for you today than you are in experimenting with something new. You know who can help! ARIES (March 21-April 19) -- Any hesitation today is likely to set you back a good deal, and you don't want to risk being so far behind that you cannot keep up.

what others are doing even a little, and you'll find that you're not able to do all you had planned. Focus on your own efforts today! VIRGO (Aug. 23-Sept. 22) -- Tell the truth, the whole truth and nothing but the truth today -- or you'll likely be putting yourself and those around you in some danger.
