HOROSCOPES by Stella Wilder

TUESDAY, JANUARY 11, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are destined to make things happen, for good or ill, and even from an early age you will prove again and again that you were not born to sit back and let the world turn without your constant influence. You are intelligent, clever, quick-witted and immensely talented when it comes to communicating with others -- and you are able to make clear even the most complicated ideas to those who would be hopelessly confused were you not to explain them.

WEDNESDAY, JANUARY 12
CAPRICORN (Dec. 22-Jan. 19) -- You are getting used to exploring one or two relatively new skills, and it may well be time to put them to use to increase your daily income.

AQUARIUS (Jan. 20-Feb. 18) -- As confident as you are, you're not quite sure about doing something with a certain someone until a certain issue has been discussed.

PISCES (Feb. 19-March 20) -- You may feel as though you have put a little too much on the line, but the truth is there's room to raise the stakes even more by day's end.

ARIES (March 21-April 19) -- You are being directly affected by someone you thought wouldn't touch you at all; you must try to act a little more professional.

TAURUS (April 20-May 20) -- You can make arrangements today that benefit you and those around you -- but take care that you're not giving someone an unfair advantage.

GEMINI (May 21-June 20) -- You can negotiate a fine deal for yourself today -- provided you're willing to talk about something that others do not wish to acknowledge.

CANCER (June 21-July 22) -- Reliance on your partners doesn't make you weak, but rather quite the opposite -- especially today, when collaboration is so essential.

LEO (July 23-Aug. 22) -- Others are willing to take care of the "busywork" perhaps, but you cannot abandon your position. You must honor all commitments today.

VIRGO (Aug. 23-Sept. 22) -- You must check in with someone who is "minding the store" on at least one or two occasions today in order to stay current on all key issues.

LIBRA (Sept. 23-Oct. 22) -- You will want to finish a journey today as early as possible in order to leave yourself time to deal with someone who's not playing fair.

SCORPIO (Oct. 23-Nov. 21) -- You don't want to charge into something big right off the bat today; you must take time to prepare yourself -- both mentally and emotionally.

SAGITTARIUS (Nov. 22-Dec. 21) -- There's more on the line today than you had originally anticipated, but you can rise to the occasion and be at your best when required.
