HOROSCOPES by Stella Wilder

THURSDAY, JANUARY 13, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you have a knack for being precisely where you need to be at any given moment to maximize your chances for success -- and in order to be effective, you're going to have to have a plan, or many plans, ready to go at a moment's notice, because you never know when the perfect opportunity is going to present itself to you.

FRIDAY, JANUARY 14
CAPRICORN (Dec. 22-Jan. 19) -- You are feeling capable and self-possessed right now, and you'll want to take advantage of all that. An opportunity sneaks up on you.

AQUARIUS (Jan. 20-Feb. 18) -- The unintentional takes on much greater importance today than usual, perhaps -- but in any event, it will certainly be noticed by many.

PISCES (Feb. 19-March 20) -- Are you content to have things continue as they are, or are you ready and willing to put up a fight to see the status quo changed?

ARIES (March 21-April 19) -- Thinking and feeling will both play important roles today, and you'll have to juggle many things very carefully between the head and the heart.

TAURUS (April 20-May 20) -- First impressions aren't likely to be accurate today -- or at the very least they will not convey all pertinent information. Dig deeper!

GEMINI (May 21-June 20) -- You seek the truth, but you know that there are only certain paths that you may take at this time. Trying to open up another invites chaos.

CANCER (June 21-July 22) -- Patience combined with curiosity will yield the answers you seek. All you have to do is put yourself in the right place at the right time.

LEO (July 23-Aug. 22) -- You'll have what it takes to do what has to be done today -- but solving a stubborn mystery will require you to engage the help of a friend.

VIRGO (Aug. 23-Sept. 22) -- The moment you banish fear, you will be ready to take on the challenge that is currently facing you. Fear works against you at this time.

LIBRA (Sept. 23-Oct. 22) -- You are eager to protect yourself and others today from dangers seen and unseen. You must put yourself at the front of the pack right away.

SCORPIO (Oct. 23-Nov. 21) -- Everyone seems to know what you are trying to learn -- or that you simply not willing to acknowledge that those roles are reversed?

SAGITTARIUS (Nov. 22-Dec. 21) -- Decisions made quickly have lasting repercussions, but today's events may seem fleeting. The things you have to do matter most to you.
