HOROSCOPES by Stella Wilder

WEDNESDAY, JANUARY 19, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you have a way of turning the merely mediocre into something recognized for its rarity and excellence -- and you can do this with almost anything you do or touch because you have such a clear vision of what you want the world around you to be like. You always work from a clearly established ideal, and if you are unable to make that vision a reality, you will chip away bit by bit until you have something you can work with successfully.

THURSDAY, JANUARY 20
AQUARIUS (Jan. 20-Feb. 18) -- Organization is the key to your success today; you may have to learn a few "secret" techniques that almost everyone else already knows!

PISCES (Feb. 19-March 20) -- A piece of information comes your way today that you don't quite know what to do with -- until you realize just what its source really is.

ARIES (March 21-April 19) -- They say that talk is cheap, but today you may find that almost everything you say can cost you -- but it's not a permanent thing, surely.

TAURUS (April 20-May 20) -- Your ideas may be shot down one, two, three -- but there's something fishy going on, surely. This is something to investigate closely!

GEMINI (May 21-June 20) -- Your eagerness is contagious today, and soon everyone will want to do what you're doing, the way you're doing it. You may be "hemmed in" a little.

CANCER (June 21-July 22) -- What you put forth today you're likely to get back -- but it may take a slightly different form, depending partly upon the time of day.

LEO (July 23-Aug. 22) -- You mustn't do anything today that will require you to backpedal -- or, worse, apologize. Keep everything without accepted boundaries if you can.

VIRGO (Aug. 23-Sept. 22) -- What you share with others may be surprising to you as well as to them -- and this may not be something you wish to repeat anytime soon.

LIBRA (Sept. 23-Oct. 22) -- The sooner you apply good old-fashioned common sense to a stubborn problem, the sooner you'll realize that the solution is within reach.

SCORPIO (Oct. 23-Nov. 21) -- A dramatic change needn't take you by surprise today. Stay abreast of key events and you'll know what's coming and surely react appropriately.

SAGITTARIUS (Nov. 22-Dec. 21) -- You'll stumble upon an exciting opportunity today, but it's likely something you cannot explore on your own. Pick your partner carefully!

CAPRICORN (Dec. 22-Jan. 19) -- You must be willing to do something today that you swore you'd never do -- but it will go over so well that no one will hold it against you.
