HOROSCOPES by Stella Wilder

SUNDAY, JANUARY 23, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are able to combine ambition and ability in ways that are unique to you and conceived to propel you forward along a path that is not defined by anyone but you -- and you would have it no other way. You are likely to know what you want out of life at a remarkably early age, and though you may have had to start more slowly than other Aquarians, you will certainly let one small success lead to the next until each subsequent achievement is bigger, better and more rewarding.

MONDAY, JANUARY 24
AQUARIUS (Jan. 20-Feb. 18) -- Your excitement over something that's likely to happen soon is not being wasted, surely, for something big is just around the corner.

PISCES (Feb. 19-March 20) -- You may not want to share what's yours, but that choice may not be made by you. You'll have to do what is right today when asked to do so!

ARIES (March 21-April 19) -- Your mind isn't going to be changed easily, but that doesn't mean someone won't try -- and try again. You must be resistant but understanding.

TAURUS (April 20-May 20) -- You receive important information from a source you do not entirely trust. Make no decisions until you know the information is accurate.

GEMINI (May 21-June 20) -- You're in the mood to go at something "full speed ahead," but there are certain dangers lying in your way that must be avoided. Use care today.

CANCER (June 21-July 22) -- Others may be unusually demanding of you today, but you have only so much time available and only so much energy. Clarify boundaries.

LEO (July 23-Aug. 22) -- Avoid doing anything early in the day that may set things off in the wrong manner -- and you know very well what that means! Discipline is key.

VIRGO (Aug. 23-Sept. 22) -- A team effort may not give you the satisfaction you were hoping for today, but perhaps that will change if your attitude adjusts a bit first.

LIBRA (Sept. 23-Oct. 22) -- You like things to be "just so," and you can make that happen today -- but you must observe another's boundaries, especially late in the day.

SCORPIO (Oct. 23-Nov. 21) -- It's never been more important for you to "act naturally," and what happens as a result today may astonish you, and you'll surely want more.

SAGITTARIUS (Nov. 22-Dec. 21) -- It's time to deal with your appetites, and the best way to get started is to admit something to yourself that you won't share with others.

CAPRICORN (Dec. 22-Jan. 19) -- You may not have everything you need today to get a certain job done according to your standards -- but you can get it done.

MONDAY, JANUARY 24, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are considered by many to be a force of nature, one who is able to face all manner of opportunities and challenges with eagerness, ability and great potential -- and indeed it is that potential that others are most often so impressed with, for whenever you are involved in something the potential for achievement is increased many times over.

TUESDAY, JANUARY 25
AQUARIUS (Jan. 20-Feb. 18) -- Let your natural vibrancy and color come to the fore today and you'll make headway like nothing you've experienced recently -- or ever.

PISCES (Feb. 19-March 20) -- You can dispense compliments all day long, but it's not going to get you what you most want. Be generous -- but also insistent.

ARIES (March 21-April 19) -- You may start the day a little too aggressively, but you'll have plenty of time to make necessary adjustments as long as you see the problem.

TAURUS (April 20-May 20) -- A little bit of flamboyance goes a long way today, so it's very important that you know where the limits are that you are better off not exceeding.

GEMINI (May 21-June 20) -- Too much talking results in too little listening -- and you know perfectly well that you must listen to the experts whenever you can today.

CANCER (June 21-July 22) -- A best friend does something unusual to set you off today, but it is up to you to observe certain limits. Don't get carried away!

LEO (July 23-Aug. 22) -- Perhaps words get you in trouble today, but they can also get you out of it again. You must use words with care -- and mean exactly what you say.

VIRGO (Aug. 23-Sept. 22) -- You'll have to do much for little today -- or so it seems, until you discover that there are many rewards available to you for the asking.

LIBRA (Sept. 23-Oct. 22) -- A soft touch works wonders today, and you'll be eager to use it wherever you can in the days to come. Watch out for someone who resists.

SCORPIO (Oct. 23-Nov. 21) -- You may not feel quite like playing along with those who are enjoying themselves a bit too much today, as you see a problem on the horizon.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your native charm can work wonders for you today -- provided you don't get carried away and begin to appear insincere. Be real and natural.

CAPRICORN (Dec. 22-Jan. 19) -- You may not be enthusiastic about the kinds of things that are lined up for you today, but you can remedy this with a new approach.
