HOROSCOPES by Stella Wilder

TUESDAY, JANUARY 25, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you can be quite secretive about what is going on beneath the surface, and others may be left in the dark about what you are feeling -- and even thinking -- more often than not. This sets you apart from many of your fellow Aquarians, who prefer to be honest and direct, even about those things that people don't like to talk about. You choose to hide behind a veil of good manners.
WEDNESDAY, JANUARY 26
AQUARIUS (Jan. 20-Feb. 18) -- Sharp eyes and a swift tongue enable you to get out of a difficult situation -- after they actually created it for you to begin with!
PISCES (Feb. 19-March 20) -- You may fear making certain mistakes today that are not really possible -- but it's always good to take a cautious approach, of course.
ARIES (March 21-April 19) -- You'll stumble upon an opportunity that demands much of you in the way of physical skill and timing. Is this really something you're up for?
TAURUS (April 20-May 20) -- Fun and profit can both be yours today, and all that's required is that you follow your instincts and do what comes naturally in the moment.
GEMINI (May 21-June 20) -- The more you try to force things into place today, the farther you'll actually be from where you want and need to go. Try an organic approach.
CANCER (June 21-July 22) -- You have very high standards, certainly, but today you may have to compromise, as you are not willing to work that hard every minute.
LEO (July 23-Aug. 22) -- What appears to you "out of the blue" today can be quite useful to you, but you mustn't assume rewards will come to you in the same way.
VIRGO (Aug. 23-Sept. 22) -- You are likely to receive a few warnings today from those who fear you're heading in the wrong direction. A few at least are worth heeding.
LIBRA (Sept. 23-Oct. 22) -- You'll face a difficult situation with mixed emotions today, as you are ready to deal with it head-on, but the results may be bittersweet.
SCORPIO (Oct. 23-Nov. 21) -- You've been looking on while others score success after success perhaps, but today it's your turn, whether or not you know it. Be brave!
SAGITTARIUS (Nov. 22-Dec. 21) -- Someone's demands may be too much for you today, and you find yourself unable to satisfy them as expected. You must talk about this!
CAPRICORN (Dec. 22-Jan. 19) -- You've learned all you can about a certain topic without receiving some "advanced" training -- and it's time to put a little more on the line.
