HOROSCOPES

by Stella Wilder

SUNDAY, JANUARY 30, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are perhaps the most resilient and tenacious of individuals born under your sign -- or any sign, for that matter -- and you never allow yourself to shrink in the face of any sort of obstacle, be it intellectual, emotional or physical. During your youth, you may have taken for granted your many abilities, but later in life you will know enough not to squander them away, but rather to keep your reserves of energy and skill full and at the ready at all times.
MONDAY, JANUARY 31
AQUARIUS (Jan. 20-Feb. 18) -- It's a good day and a bad one, too, for you will be dealing with much that is to be celebrated and one thing that you wish could be avoided.
PISCES (Feb. 19-March 20) -- You'll have a chance to jump into the fray and help someone who is somehow vastly outnumbered. Your involvement can even the playing field.

ARIES (March 21-April 19) -- Just when you get a clear glimpse of what's next, you'll be thrust backward to deal with something that simply won't let you rest undisturbed.
TAURUS (April 20-May 20) -- You may be surprised to learn that you're not the only one currently in such a tricky situation -- and you'll welcome advice from others.
GEMINI (May 21-June 20) -- The job you do today will not be complete until you've tied up every possible loose end -- and there will likely be more of them than expected.
CANCER (June 21-July 22) -- You may have a difficult message to send to someone who certainly doesn't expect it -- especially from you. Be honest, but sensitive too.
LEO (July 23-Aug. 22) -- An invitation comes your way that has you feeling as though you're being recognized at last for something that's been overlooked in the past.
VIRGO (Aug. 23-Sept. 22) -- You may be deceived by the apparent simplicity of some-

thing that is, in fact, quite complicated. Once you get in, it'll be hard to get out!
LIBRA (Sept. 23-Oct. 22) -- Fairness is everything today, and you must impress upon all those working with you that they must adopt a fair attitude toward rivals as well.
SCORPIO (Oct. 23-Nov. 21) -- You're ready and waiting patiently for your turn in the spotlight, but there is some danger that you'll miss your cue. Keep eyes and ears open!
SAGITTARIUS (Nov. 22-Dec. 21) -- How you interpret a certain situation will tell others a great deal about your current state of mind. Are you merely fooling yourself?
CAPRICORN (Dec. 22-Jan. 19) -- It's likely to fall to you today to keep the peace between two conflicting factions. Stress the importance of working side by side.

MONDAY, JANUARY 31, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are likely to spend the greater portion of the first half of your life devising ways to make imagination itself your primary professional tool, and developing projects that allow you to turn flights of fancy into professional gains. You were not born to do things the "normal" way, and the thought of being "ordinary" is anathema to you; you will resist, tooth and nail, any attempt of restriction based on widely accepted rules, regulations and expectations.
TUESDAY, FEBRUARY 1
AQUARIUS (Jan. 20-Feb. 18) -- You can possibly get things done much more quickly today than you are used to -- so what will you do with all the extra time you have?
PISCES (Feb. 19-March 20) -- You're likely to answer a certain question in a most unusual way -- but that doesn't mean your answer is wrong, necessarily. Explain clearly!

ARIES (March 21-April 19) -- You can have a great deal of fun very soon, but first you may have to tend to some business affairs that don't promise much enjoyment at all.
TAURUS (April 20-May 20) -- A collaboration is developing very quickly, and you may find that you have to work faster than usual to keep up with a new, quicker pace.
GEMINI (May 21-June 20) -- You needn't approach a certain personal issue as if you are unaware of how important it is. Be direct, honest and willing to listen!
CANCER (June 21-July 22) -- Your approach certainly isn't the only approach, and today you'll have a chance to share what you know while learning something new as well.
LEO (July 23-Aug. 22) -- Focus on what lies ahead of you today, and don't worry so much about the things that have passed you by. You must maintain your momentum.
VIRGO (Aug. 23-Sept. 22) -- You may be

tempted to put someone in their place today, but instead you can choose to overlook a recent slight that was unintentional.
LIBRA (Sept. 23-Oct. 22) -- You may be missing out on something that would be right up your alley if you were to partake -- but instead you must find satisfaction elsewhere.
SCORPIO (Oct. 23-Nov. 21) -- Now is no time to feel sorry for yourself. Be strong, confident and forward-thinking as you accept a new and important responsibility.
SAGITTARIUS (Nov. 22-Dec. 21) -- You have more at stake today than you realize, but someone close to you isn't likely to let you ignore what is most important to you.
CAPRICORN (Dec. 22-Jan. 19) -- You may think that you're tempting fate by speaking of something that others will not, but you're merely encouraging a healthy honesty.
