HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder

Born today, you are never likely to be pinned down by anyone's desires, needs or expectations, and once you discover you can do what you want and go where you want in this big old world, you will likely do just that -- and live a life characterized by constant movement here, there and back again. Why is it that you are compelled to be always on the move? You love all that home life can offer, and you hold dear your friends and family, yet you will wake again and again and decide, contrary to all seeming common longings, to uproot yourself and take flight, imposing on yourself a kind of solitude to which you must grow accustomed if you're not to become your own worst enemy.

SATURDAY, FEBRUARY 5

AQUARIUS (Jan. 20-Feb. 18) -- Take care today that a message intended for one person doesn't mistakenly end up in the hands of another, as that could be embarrassing!

PISCES (Feb. 19-March 20) -- You and a partner had better come up with a new idea quickly, as there are those who are getting bored with the same old thing.

ARIES (March 21-April 19) -- Your schedule may have to change as a result of logistical problems affecting a venue you had planned to use. Be as flexible as possible.

TAURUS (April 20-May 20) -- It may be time for you, finally, to upgrade to something that can do more for you than the old-fashioned technology you usually rely upon.

GEMINI (May 21-June 20) -- You can combine your creativity with a little more pragmatism than usual today, which will serve you well, especially if you are traveling.

CANCER (June 21-July 22) -- Even if it's a very short distance, getting from here to there is likely to be more complicated than usual. Give yourself some extra time!

LEO (July 23-Aug. 22) -- You may find yourself racing about trying to please all sorts of people for all sorts of reasons, but the only person you have to please today is yourself!

VIRGO (Aug. 23-Sept. 22) -- Show someone what you can do today, and that information is likely to get to someone else who can do you a good turn and boost your career.

LIBRA (Sept. 23-Oct. 22) -- A quick and simple demonstration is all it will likely take today for you to persuade someone that an idea warrants real consideration.

SCORPIO (Oct. 23-Nov. 21) -- You may have turned your back on another for one or two quite valid reasons, but the time has come to consider a professional reunion of sorts.

SAGITTARIUS (Nov. 22-Dec. 21) -- You can manipulate both space and time today in a way that allows you to have more of what you want and less of what you don't. Enjoy!

CAPRICORN (Dec. 22-Jan. 19) -- You're looking forward to a gathering that promises to bring you back to where you started -- figuratively if not literally. Use your head.
