Hardware will be handed out tonight in the short program of men's figure skating, where Japan's Hanyu Yu-zuru is the odds-on favorite to win his third straight Olympic gold medal in this event. Challenging him will be American Nathan Chen, the three-time World Champion who has yet to top a podium in Olympic competition but could break through here.

The Cleaning Lady

Garrett (Oliver Hudson) puts Thony (Elodie Yung) in a threatening position after a party bus cleanup job takes a turn for the worse, forcing her to choose between her loyalty to Arman (Adan Canto) and her wish to save Fiona (Martha Millan) from deportation in the new episode "The Icebox." Meanwhile, after bending over backwards to find a viable new business for Hayak (guest star Navid Negahban), Arman is completely blindsided when Hayak chooses his daughter over him.

Clotilda: Last American Slave Ship

This fascinating new documentary explores the 2019 discovery of a shipwreck in the murky waters of Alabama's Mobile River. The wreckage soon was identified as the Clotilda, the last known ship used to transport enslaved Africans into Mobile in 1860, long after that practice was banned by Congress. After the voyage was completed, the ship was burned and scuttled in an attempt to destroy the evidence. The film follows an underwater archaeological expedition exploring the Clotilda and some of its revelatory artifacts.
