### 8 p.m. on BET Movie: Moonlight

One of the most acclaimed dramas of 2016, writer-director Barry Jenkins' piercing comeof-age drama chronicles three stages in the life of its main character, a young Black man named Chiron, played as an adult by Trevante Rhodes (Alex Hibbert and Ashton Sanders play Chiron as a child and teenager, respectfully). As a drug dealer who becomes a surrogate father to the boy, Mahershala Ali won an Academy Award as best supporting actor, while Jenkins earned an Oscar for this adapted screenplay. The film itself was named the year's best picture.

#### 8 p.m. on HALL Movie: The Wedding Veil Unveiled

The second panel in a romantic trilogy that aired its first part last month, this new chapter stars Autumn Reeser as Emma, who travels to Italy for a teaching gig. While in that country, though, she also hopes to do research into a fabled wedding veil that, according to lore, helps its owner find love. During her time abroad, Emma has what turns out to be a fateful encounter with Paolo (Paolo Bernardini), the son of a local lace-making family.

### 8 p.m. on LIFE Movie: Line Sisters

This new thriller is set on the Outer Banks of North Carolina, where four sorority sisters -Valerie, Cassandra, Simona and Dominique — have reunited for a Black Greek Weekend celebration. The quartet had met years earlier when they pledged Alpha Beta Omega sorority together, but that's not the only bond they share: They're also somehow linked to the tragic death of a pledge 15 years ago. Soon after they arrive for this gathering, strange, sinister events begin to unfold. LeToya Luckett, Kierra Sheard-Kelly, Ta'Rhonda Jones and Drew Sidora star.
