**HOROSCOPES** by Stella Wilder

THURSDAY, FEBRUARY 10, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you will not always rub people the right way as you make your way through life, especially when you are in the grip of ambition that will compel you to do anything and everything to advance in the career of your choice -- even if it means stepping on or over others on your way to the top. Do what is right, avoid what is wrong and you can have what you want without hurting anyone else.  
**FRIDAY, FEBRUARY 11**  
**AQUARIUS (Jan. 20-Feb. 18)** -- The easy and the difficult may be conjoined today, resulting in some confusion -- until you hit upon the perfect strategy.  
**PISCES (Feb. 19-March 20)** -- You may have to deceive a friend for a time today in order to keep to yourself a secret that when revealed will bring you both pleasure.  
**ARIES (March 21-April 19)** -- You may have to take steps to make your current environment a little more conducive to the efforts you're having to make. Take no shortcuts.  
**TAURUS (April 20-May 20)** -- The details of a certain situation may not seem to make sense to you today, but soon you'll understand what's going on and take proper steps.  
**GEMINI (May 21-June 20)** -- You may have to take certain risks today in order to avoid them tomorrow -- but facing them directly will surely enable you to minimize them.  
**CANCER (June 21-July 22)** -- You may not make sense to some, but those who know you best understand where you're coming from and why you've decided that today is the day.  
**LEO (July 23-Aug. 22)** -- Don't shrink from the challenges presented by others today. You can face them head-on and make yourself proud of the stance you take.  
**VIRGO (Aug. 23-Sept. 22)** -- You have come to the conclusion that it's "now or never" -- but your interpretation of a certain situation may be inaccurate.  
**LIBRA (Sept. 23-Oct. 22)** -- You'll want to keep your distance, perhaps, from someone who is in a dangerous situation, but your involvement may be unavoidable today.  
**SCORPIO (Oct. 23-Nov. 21)** -- You can overcome even the strongest opposition today merely by sticking to your guns and speaking what you know to be the truth whenever asked.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You don't have to follow in a friend's footsteps today to learn from the experience. From a distance, you see things very clearly.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You may not be able to play a role that is to your liking today, but what you do take on will surely satisfy someone you know very well.
