## **Chloe Bailey**

### 4 p.m. on TNT The Game Plan

Shaquille O'Neal's prowess on the basketball court is well known, but he uses his equally formidable business acumen in this new docuseries as he guides and mentors small business owners in the Atlanta market. The series introduces six entrepreneurs who present their products, which run the gamut from streetwear to food and consumer packaged goods, to host O'Neal and such special guests as Killer Mike, Lisa Leslie, Big Boi and Quavo, who respond with business tips and advice on potential pitfalls to avoid. First up: Kultured Misfits, a streetwear brand.

# 9:31 p.m. on FOX Pivoting

Amy (Eliza Coupe) freaks out when she discovers that the late Coleen's former cellphone number has been reassigned to a new account in the new episode "Bounce, Baby." Elsewhere, Sarah (Maggie Q) helps Brian (guest star Colton Dunn) set up for baby Lila's first birthday party, while Jodie (Ginnifer Goodwin) gets closer than ever to Matt (JT Neal) while helping him organize his bedroom. Tommy Dewey also stars.

#### 10 p.m. on FREE grown-ish

Jazz (Chloe Bailey) is forced to grapple with cultural and personal perceptions and prejudices surrounding mental health as she resumes therapy after a series of setbacks in the new episode "OK Not to Be OK." Elsewhere, Zoey and Vivek (Yara Shahidi, Jordan Buhat) start spinning out as Aaron and Ana (Trevor Jackson, Francia Raisa) innocently reconnect over their past.

### 10 p.m. on TRUTV Fast Foodies

Jesse Tyler Ferguson ("Modern Family") proves that he fits in with the modern fast-food family, too, with his love of food, strong drinks and a fast-food sandwich that's truly like no other in this new episode. Chefs Kristen Kish, Justin Sutherland and Jeremy Ford try their best to re-create and remix Jesse's complicated sandwich.
