HOROSCOPES by Stella Wilder

THURSDAY, FEBRUARY 17, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you are far more sensitive, introspective and even philosophical about yourself and your place in the world than anyone might guess, for you present yourself in a way that seems unequivocal, confident, strong, invulnerable and even at times aggressive -- especially in pursuit of your career goals. The fact is that you are only able to present yourself in that manner because of all the thought and reflection that you apply to your life, inside and out, on a regular basis.

FRIDAY, FEBRUARY 18
AQUARIUS (Jan. 20-Feb. 18) -- How long do you think you can keep up this current behavior with regard to an old friend? Today's the day to put an end to it for good!

PISCES (Feb. 19-March 20) -- You may not be able to do all you have to do on your own today, but you can surely assemble the right team to help you in all of your efforts.

ARIES (March 21-April 19) -- You're eager to solve a certain personal mystery, but today you may be thwarted by someone who seeks to keep you in the dark about it.

TAURUS (April 20-May 20) -- Now is the time for you to make it very clear what it is you expect from those working with you. Those who aren't helping are hindering you.

GEMINI (May 21-June 20) -- You know what's going on behind the scenes today, but you may not be able to make any adjustments until someone emerges from the wings.

CANCER (June 21-July 22) -- You may feel more remote today than you have at any time in memory, even if you're not far from home. Your circumstances are getting you down.

LEO (July 23-Aug. 22) -- You may have to stop what you are doing and schedule a repeat for a time when you will be less impacted by what others are doing around you.

VIRGO (Aug. 23-Sept. 22) -- A rather longstanding personal dilemma can be addressed in a new way today, bringing about a surprising solution. But is it permanent?

LIBRA (Sept. 23-Oct. 22) -- Questions arise today regarding something you did some time ago that you thought would go unnoticed. It may be time to pay the piper.

SCORPIO (Oct. 23-Nov. 21) -- You're going to have to streamline your thinking today if you want to wrap your head around a subject that others seem to understand well.

SAGITTARIUS (Nov. 22-Dec. 21) -- It's not going to be entirely up to you to decide what shall be done about a complicated central issue. Whose help do you really want?

CAPRICORN (Dec. 22-Jan. 19) -- You're in need of a little fun today, and you can have it -- while at the same time tending to a piece of business that is long overdue.
