John Oliver

11:03 p.m. on HBO Last Week Tonight With John Oliver

British-born comic John Oliver will have some familiar targets in his satirical sights — including the apparently never-ending coronavirus pandemic and the widening partisan political divide separating Americans — as he returns for his ninth season. An Emmy magnet, Oliver and his show have bagged an astonishing 23 of those trophies since this series premiered in 2014.

Winter is here! Cold weather can mean icy spots in shaded areas!
