**HOROSCOPES** by Stella Wilder

**WEDNESDAY, FEBRUARY 23, 2022**  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are a complex individual with a multifaceted and vibrant personality who is destined to lead a life that is itself complex and vibrant -- and chock full of opportunity. That means, of course, that you are likely to enjoy your share of successes -- for you are talented, capable and almost always proactive when it comes to pursuing your goals. It also means, however, that you are destined to face perhaps more than your share of disappointment.

**THURSDAY, FEBRUARY 24**  
**PISCES (Feb. 19-March 20)** -- You know how to win the support of others, and today is the day to do just that. Be as specific as possible, and leave no one in the dark.

**ARIES (March 21-April 19)** -- You may be hesitant to ask for what you need today, but that's the only way you're going to get your hands on it in time to make use of it!

**TAURUS (April 20-May 20)** -- You'll want to keep an accurate record of all that happens today, as you'll almost surely have to recall certain events at a later date.

**GEMINI (May 21-June 20)** -- What you choose will say a great deal about you today. Putting aside petty jealousies will help you get over a stubborn self-made obstacle.

**CANCER (June 21-July 22)** -- You may not understand just what your role will be in a certain group endeavor, but today you must pay attention to what others do around you.

**LEO (July 23-Aug. 22)** -- This is a good day to experiment with one or two new ways of doing something that has not yet become second nature. You can learn a lot!

**VIRGO (Aug. 23-sept. 22)** -- You can't believe everything you read today -- but take care that your skepticism doesn't keep you from believing what is true!

**LIBRA (Sept. 23-Oct. 22)** -- You may have the benefit of some firsthand evidence today to support your contention that things are as you see them. Don't back down!

**SCORPIO (Oct. 23-Nov. 21)** -- You needn't worry about how a past mistake will affect a current endeavor. Simply stay the course and trust that you know what you're doing!

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You may have trouble getting through to someone who is being far more philosophical than realistic. What evidence can you cite?

**CAPRICORN (Dec. 22-Jan. 19)** -- You may be under more pressure than usual, but you can hold up provided you have someone trustworthy to talk to who understands you well.

**AQUARIUS (Jan. 20-Feb. 18)** -- You may have to remind someone of a promise made to you, as it's now time to benefit from it. You don't want to miss out.
