HOROSCOPES by Stella Wilder

SUNDAY, FEBRUARY 27, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you are never one to turn away from someone because they bring difficulty into your life; on the contrary, you are far more likely to embrace other people because of the troubles they carry with them -- and further, you will do whatever is in your power to do to ease their burdens and make life better for them in some way. You have been known to endure a good deal of hardship in your life. MONDAY, FEBRUARY 28 PISCES (Feb. 19-March 20) -- You have work to do today that gets to the heart of a central issue, but you must guard against taking anything too personally at this time. ARIES (March 21-April 19) -- Adjusting your schedule to accommodate others may seem like the right thing to do, but in fact you're doing no one any favors. Stick to the plan.

TAURUS (April 20-May 20) -- Your expertise is almost perfectly complementary to another's, and the results of a collaboration can be truly memorable today. Give it a try! GEMINI (May 21-June 20) -- The difference between right and wrong may become unusually fuzzy today, likely because you're dealing with something you don't truly comprehend. CANCER (June 21-July 22) -- Now is no time to let others take credit for what you have done; speak up, and make sure everyone knows just what you've contributed. LEO (July 23-Aug. 22) -- What you do on your own today can make a difference, but what you do with others is likely to make a difference for a very long time. VIRGO (Aug. 23-Sept. 22) -- You'll experience something very like a "near miss" today -- but you're not about to let it stop you from carrying out your well-laid plans today. LIBRA (Sept. 23-Oct. 22) -- Someone in

your inner circle is likely to let you in on a secret that could end up almost "changing everything" today. Don't be too quick to judge. SCORPIO (Oct. 23-Nov. 21) -- The credit you receive from a superior today is capital you can use at a later date when someone doubts you -- for whatever reason. SAGITTARIUS (Nov. 22-Dec. 21) -- You'll have many questions today, and many answers, too -- but which are more important to you will come from a surprise event. CAPRICORN (Dec. 22-Jan. 19) -- Others are facing certain hard realities that you are glad to have avoided -- but perhaps you are breathing a sigh of relief prematurely. AQUARIUS (Jan. 20-Feb. 18) -- Someone who shares your enthusiasm about a certain unlikely endeavor is likely to make it all more fun and meaningful for you today.

MONDAY, FEBRUARY 28, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you are possessed of a great many talents, but most of them are not likely to be developed fully, for there are only two or three that will inspire you to explore them and maximize their potential -- beginning, quite likely, at a very early age. Indeed, your tally of accomplishments when young is almost certain to be the talk of the town -- or at least of your neighborhood or school. TUESDAY, MARCH 1 PISCES (Feb. 19-March 20) -- You can afford to be a little more thoughtful and conscientious today. There is little risk of losing what you've worked hard to acquire. ARIES (March 21-April 19) -- You mustn't be so immersed in your own affairs today that you neglect those of a friend who has only recently come to you for assistance. TAURUS (April 20-May 20) -- Working

with others should be just as easy as you had hoped -- and just as rewarding, too. A surprise gives you pause, but it's a positive thing. GEMINI (May 21-June 20) -- You can explore many different ways of doing what has to be done today, but whichever you choose, be sure to include a trusted partner. CANCER (June 21-July 22) -- You can show off a little today without any risk of seeming a braggart. You can balance what you want and what you need with real skill. LEO (July 23-Aug. 22) -- You can be most productive today when you are having the most fun -- and, indeed, you're likely to have more fun today than almost anyone else. VIRGO (Aug. 23-Sept. 22) -- You can turn a disadvantage around today and make it into something quite rewarding, and perhaps even lucrative. Others wonder how you do it! LIBRA (Sept. 23-Oct. 22) -- You mustn't be a sore loser today, if losing is what's in store

for you. You can learn from someone who beats you at your own game. SCORPIO (Oct. 23-Nov. 21) -- You may be fearing the worst today, but it's not likely to come to pass -- at least not in the form you envision. Strength comes from within. SAGITTARIUS (Nov. 22-Dec. 21) -- You may be called upon to report on someone's doings today, but this is a role you are loath to play. Will you talk or keep mum? CAPRICORN (Dec. 22-Jan. 19) -- Deciding what is best may be more difficult than expected today, because the circumstances influencing your actions are quite unusual. AQUARIUS (Jan. 20-Feb. 18) -- You can actually make your sense of humor work for you today, when in like circumstances it may have worked against you in the past.
