HOROSCOPES by Stella Wilder

TUESDAY, MARCH 8, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are not entirely free from eccentricity, but you are still able to make your way through the world without attracting a great deal of attention -- though that doesn't always serve your overall purpose in life, which is to develop your sometimes unusual talents to the fullest and parlay them into lasting success. This will require you to do the kinds of things that turn heads again and again.

WEDNESDAY, MARCH 9
PISCES (Feb. 19-March 20) -- You may be spending too much time trying to sort out someone else's mistakes. Today you must try to get on with your own business.

ARIES (March 21-April 19) -- You can avoid an error today simply by saying "no." Once you take the time to go over all the ramifications, you'll be able to reconsider.

TAURUS (April 20-May 20) -- Something you've been working on in secret is nearing completion. Is today the day to let the cat out of the bag? Consider all angles.

GEMINI (May 21-June 20) -- Criticism comes from an unusual source today, but that means it's likely something you'll want to listen to instead of dismissing out of hand.

CANCER (June 21-July 22) -- You can make up for lost time today without having to shortchange anything that is of central importance to your status at work.

LEO (July 23-Aug. 22) -- You may not be able to explain why you are leaning in a certain direction at this time, but past decisions haven't been quite this controversial!

VIRGO (Aug. 23-Sept. 22) -- You may not be calling the shots, but you can surely influence one who is. You can have some say over what happens today as a result.

LIBRA (Sept. 23-Oct. 22) -- You may have trouble scheduling a group effort today because no one seems willing to compromise. Try taking a different approach.

SCORPIO (Oct. 23-Nov. 21) -- You'll receive assistance today if you ask for it -- but once you accept it, you may have to make room for a very different overall approach.

SAGITTARIUS (Nov. 22-Dec. 21) -- You can surely meet "official" expectations today, but is that enough for you? Your contentment depends on something more at this time.

CAPRICORN (Dec. 22-Jan. 19) -- You can trust someone you've known for quite a while to see through a current complication and identify the central issue for you today.

AQUARIUS (Jan. 20-Feb. 18) -- You must come to terms with a certain weakness or shortcoming today before you attempt to do something that will put it on display.
