HOROSCOPES

THURSDAY, MARCH 10, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you are never afraid to go where others have yet to tread, and you are often driven to leave your pack behind and explore what lies ahead -- or around some corner -- entirely on your own to see what has yet to be seen by the human eye. Of course, it may not always be possible for you to do something entirely new in every situation, and not every opportunity will present you with the kind of novelty you most enjoy.

FRIDAY, MARCH 11
PISCES (Feb. 19-March 20) -- Concentrate more on home affairs today and you'll be far more prepared for what soon happens at the workplace, as they are all closely linked!

ARIES (March 21-April 19) -- You may wish you were able to be in two places at once, but that overlooks the fact that an exciting new opportunity has presented itself.

TAURUS (April 20-May 20) -- A problem

is presented in such a way that you are unable to see your way around it until perhaps the very last minute. You must act fast!

GEMINI (May 21-June 20) -- You mustn't allow yourself to get immersed in the complications others are bringing to certain shared issues. Stay clearheaded and confident.

CANCER (June 21-July 22) -- When you're wrong, you're wrong -- and today it's very important to admit it as soon as you're aware of it. It surely won't weigh you down.

LEO (July 23-Aug. 22) -- Your prospects are very good right now, and you're in precisely the right position to take full advantage of most opportunities.

VIRGO (Aug. 23-Sept. 22) -- A game of hide-and-seek reveals something to you that may come as a surprise at first -- until you realize you've known it all along.

LIBRA (Sept. 23-Oct. 22) -- You and a close friend turn a pleasant game of on-upmanship into something far more serious,

but you must call it quits when dangers arise.

SCORPIO (Oct. 23-Nov. 21) -- Navigating a sudden storm proves easier than you might think today, especially when you see that these conditions are nothing new to you.

SAGITTARIUS (Nov. 22-Dec. 21) -- You'll see things much more clearly today after you "come clean" about something that has been weighing you down for far too long.

CAPRICORN (Dec. 22-Jan. 19) -- A recent self-assessment becomes obsolete very quickly today when you are changed by an unexpected development. Now be honest with yourself again!

AQUARIUS (Jan. 20-Feb. 18) -- Information you receive today leads you in the wrong direction at first, but only because you were acting on a few outdated assumptions.
