**HOROSCOPES** by Stella Wilder

FRIDAY, MARCH 11, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are compelled to be in charge of things, and even at an early age you could be counted on to be the ringleader of your circle of friends, the one to come up with all manner of ideas to fill the time and steer the energies of those around you toward accomplishment and satisfaction. Little will change as you grow to maturity; you still enjoy being the one to lead others toward goals that you had a great deal to do with establishing -- for yourself and everyone else.

**SATURDAY, MARCH 12**  
**PISCES** (Feb. 19-March 20) -- You may not see all the warning signs that stand before you today, but one or two will be enough to check any unwise movement you may make.  
**ARIES** (March 21-April 19) -- A friend or loved one is eager to steer you in a new direction, but you feel fine the way things are. How can you prove that all is well?

**TAURUS** (April 20-May 20) -- Some of your interests are not likely to be understood by others -- even those closest to you. This is yet another thing that sets you apart!  
**GEMINI** (May 21-June 20) -- You don't want to have to rely on something that has proved unreliable in the past. You can take steps today to ensure that progress is made.  
**CANCER** (June 21-July 22) -- You will have to take a close look at one or two of your more "colorful" relationships today. Circumstances favor honest talk.  
**LEO** (July 23-Aug. 22) -- At work and at play you'll find that your unique method of getting closer to people serves you well -- though some of your critics may balk.  
**VIRGO** (Aug. 23-Sept. 22) -- There's more to your day than facts and figures, but you must know what you're talking about before entering a highly competitive arena.  
**LIBRA** (Sept. 23-Oct. 22) -- Now is the time for you to take that "once in a lifetime"

chance -- before someone you know steals your thunder. You can score a real victory.  
**SCORPIO** (Oct. 23-Nov. 21) -- Your understanding of another's motives isn't enough to keep you from falling victim to a cruel deception. You must get even closer!  
**SAGITTARIUS** (Nov. 22-Dec. 21) -- Your ideas can be shared with others today with little or no risk at all. No one is likely to do something to threaten your progress.  
**CAPRICORN** (Dec. 22-Jan. 19) -- You cannot play fast and loose with the facts today; you must deal with things as they are, not as you wish they would be. The truth counts!  
**AQUARIUS** (Jan. 20-Feb. 18) -- You can try to peddle the same old falsehood today, or you can change tactics and tell the truth. Only one option will be successful.
