Cynthia Stroud

8 p.m. on OWN Love & Marriage: Huntsville

This hit reality series returns as someone throws a wrench into Melody's routine, despite the fact she finally has established some distance from ex-husband Martell, who is trying to get back on his feet financially via several possible business ventures. An unexpected visitor surfaces in LaTisha's life just as she and Marsau are busier than ever with their cigar bar lounge. Elsewhere, given the rumors sparked by Marsau's social media post, Kimmi demands the whole truth from Maurice as they prepare to leave for their long-delayed honeymoon.

8 p.m. on HBO Movie: The Many Saints of Newark

Set in 1967, this 2021 preguel to the HBO series "The Sopranos" stars Michael Gandolfini as a teenage version of Tony Soprano, the character his late father, James Gandolfini, created to such acclaim. The story opens in one of the most tumultuous eras in Newark, N.J., history, as rival gangsters rise up and challenge the all-powerful DiMeo crime family. Caught up in the changing times is the uncle he idolizes, Dickie Moltisanti (Alessandro Nivola). Leslie Odom Jr., Vera Farmiga, Jon Bernthal, Corey Stoll and Ray Liotta co-star.

8:30 p.m. on CW Great Chocolate Showdown

The season comes to a sweet conclusion in "The Finale: Good Things Come to Those Who Bake," which finds the top three bakers confronting their toughest challenge yet: creating an epic assortment of show-stopping confections to fill their dream Bake Shop window. At the end of the hour, one skillful (and very lucky) home baker will walk away from the competition with the show's \$50,000 grand prize. Cynthia Stroud hosts.

9 p.m. on HIST American Pickers

The new two-hour episode "Wolves in Washington; Super Best Plus Wheels" opens as Mike and Robbie Wolfe travel to their Uncle Butch's ten-acre homestead in Wisconsin, where the brothers pay big money for some rare nuggets of "petroliana," but strike out on a jaw-dropping ride with a Hollywood pedigree. Later, flying solo in Milwaukee, Mike meets a 97-year-old inventor.
