YOUR BIRTHDAY by Stella Wilder

Born today, you are certainly no quitter, and yet while this means you will almost certainly taste your fair share of victory in your life, the fact is that you must get your palate used to disappointment as well, for sometimes the tenacity of which you are so proud may work against you as you cling to a possibility which is, in fact, no possibility at all. You don't always see the options that lie before you, so committed are you to the road that you have chosen.

SUNDAY, MARCH 13  
PISCES (Feb. 19-March 20) -- You're feeling the need to reconnect with someone who went in a different direction some time ago. It's not hard to do -- simply reach out!

ARIES (March 21-April 19) -- You're ready to dispense with a responsibility you only recently took on, but today's not the day. Someone else will tell you when.

TAURUS (April 20-May 20) -- The more specific you can be about your needs and desires, the closer you will find them -- but take care to keep mere fantasies to yourself!

GEMINI (May 21-June 20) -- Despite the doubts you may be harboring, you can engage in a certain endeavor with others without risking your reputation. You can do well!

CANCER (June 21-July 22) -- Is it success that you're afraid of? Give a new opportunity a try, because you're likely to find that the odds in your favor have increased.

LEO (July 23-Aug. 22) -- You may be afraid of what you'll find if you look closely within yourself for the answers to tough questions today -- but it's a requirement!

VIRGO (Aug. 23-Sept. 22) -- You can put your own unusual tastes and talents on display today if you choose -- but take care you're not wasting them on the "unworthy."

LIBRA (Sept. 23-Oct. 22) -- Something you see as a potential difficulty is really nothing of the kind, as you'll discover if you put your fears away and get moving.

SCORPIO (Oct. 23-Nov. 21) -- What comes to you today is meant for you, regardless of its source. You may have to investigate closely to learn who to thank for this boon.

SAGITTARIUS (Nov. 22-Dec. 21) -- You'll have little choice today when it comes to methods, as only one will serve truly the motives that are currently driving you.

CAPRICORN (Dec. 22-Jan. 19) -- You may sense that someone wants more from you than mere information, but this is no time for guesswork. Wait until the request is made.

AQUARIUS (Jan. 20-Feb. 18) -- You'll have the chance to hone your skills a little further before putting them and your own future on the line. A teacher throws you a curve.
