HOROSCOPES by Stella Wilder WEDNESDAY, MARCH 16, 2022 YOUR BIRTHDAY by Stella Wilder BORN today, you have some tremendous talent, but you're not the kind to walk around looking for places to show off what you can do. Rather, you go about your business in a quiet manner and trust that others will come to you as a matter of course, to find out what you are doing and learn, perhaps, how you do it as well. Indeed, it is often the "how" that matters more than the "what" -- for you can do the most ordinary things in the most extraordinary ways! THURSDAY, MARCH 17 PISCES (Feb. 19-March 20) -- You'll be surprised at all the things you can learn today, if you put yourself in just the right position at the right time. Much awaits you! ARIES (March 21-April 19) -- You can involve yourself in something new today without any risk of failure -- at least for now. Feel free to explore with abandon. TAURUS (April 20-May 20) -- You may be feeling as though your possible contribution to a tricky endeavor won't amount to much, but you're mistaken. You must participate! GEMINI (May 21-June 20) -- You have more at stake today than you are aware of, but if you turn to the right person, you'll get all the information you need to make informed decisions. CANCER (June 21-July 22) -- Don't trouble yourself with thoughts of an "endgame" today; just take things one at a time and know that your process will serve you very well. LEO (July 23-Aug. 22) -- Avoid anything that smacks of a falsehood today. You want to be dealing only in things that you can prove, for which there is hard evidence. VIRGO (Aug. 23-Sept. 22) -- You must watch someone's back today -- just as they watch yours. The looming danger may not appear, but you want to be safe! LIBRA (Sept. 23-Oct. 22) -- Doing what others tell you to do is not a cop-out today. Indeed, you're actually taking on more responsibility, not less -- and you know it. SCORPIO (Oct. 23-Nov. 21) -- You may feel burdened by someone's situation, and that's not right -- though you're certainly willing to help out, given the chance. SAGITTARIUS (Nov. 22-Dec. 21) -- You may begin the day feeling out of sorts and uninspired, but an unexpected encounter turns things around for you almost immediately. CAPRICORN (Dec. 22-Jan. 19) -- It's important that you see others today in the best possible light, but that doesn't mean, of course, that you should make things up! AQUARIUS (Jan. 20-Feb. 18) -- The difference between what is and what might be is clear to you today -- but you can do much to narrow that gap as you reach a new goal.
