HOROSCOPES by Stella Wilder

THURSDAY, MARCH 17, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you possess tremendous creativity and the potential for doing great things in almost any field that you choose -- but you don't always have the discipline you may need to make the most of your talents, and there are times when you are quite unable to make the kinds of quick and firm decisions that are essential to paving your way in the world. The truth is that you can see so many different sides of a given issue that you have trouble even taking sides at all.

FRIDAY, MARCH 18
PISCES (Feb. 19-March 20) -- Someone is making things difficult for you, perhaps, by not following the rules. You can change your own approach to counteract this.

ARIES (March 21-April 19) -- You may be confusing immediate intent with a long-term goal; you've got to tend to everything in the right order, and one at a time.

TAURUS (April 20-May 20) -- You may be on the fence about an upcoming "duty," in that you are eager to help, but you don't want to be stuck doing more than promised.

GEMINI (May 21-June 20) -- You're not able to do things that are simply undoable -- so stop trying to trick yourself into thinking the impossible is possible. Be realistic!

CANCER (June 21-July 22) -- You will have the chance to revise your estimates about your current workload, and soon you may impress the boss by finishing ahead of others.

LEO (July 23-Aug. 22) -- Now is no time to take your eyes off the ball. There's a lot going on that depends upon your attention and commitment; you musn't strike out!

VIRGO (Aug. 23-Sept. 22) -- It's essential that you make clear to others just what you are intending to do today -- and more importantly perhaps, what you will not do.

LIBRA (Sept. 23-Oct. 22) -- You're waiting to be inspired before swinging into action, but that's likely to be a mistake. You need to get the jump on the competition.

SCORPIO (Oct. 23-Nov. 21) -- The opportunity you turn down today can provide for someone who will take advantage of everything it offers. This is your doing!

SAGITTARIUS (Nov. 22-Dec. 21) -- You have been doing much to help others stand on their own two feet, but today a slowdown has you reconsidering your own effectiveness.

CAPRICORN (Dec. 22-Jan. 19) -- You must be sure that all the pieces are in place today before you do anything that may surprise those who are relying on you.

AQUARIUS (Jan. 20-Feb. 18) -- You are far more interested in process than in results right now, and a look at the "inner workings" of something proves inspiring.
