HOROSCOPES by Stella Wilder

WEDNESDAY, MARCH 23, 2022

YOUR BIRTHDAY by Stella Wilder
Born today, you are an honest, honorable, and supportive individual who prefers to do things with groups of like-minded, dedicated, and equally upstanding people far more than to engage in any solo endeavors -- regardless of the rewards they may promise. To you it is not about the tangible or monetary reward, but about the connections you forge in working with other people, for they are what enrich you far more than anything you can acquire on your own. You are quite adept at sensing what is about to happen, and because your reactions are always quick and almost always right on the money, you are able to do your best in almost every situation that may arise. This is a skill, too, that attracts others into your orbit again and again -- and to have others wanting to be close to you in some way is never a bad thing, as far as you are concerned.

THURSDAY, MARCH 24
ARIES (March 21-April 19) -- The anticipation of a certain development may actually be more enjoyable and rewarding to you today than the development itself.

TAURUS (April 20-May 20) -- Give yourself more of what you enjoy today. You'll be ready for anything very soon. You've got to manipulate your mood to optimize enthusiasm.

GEMINI (May 21-June 20) -- Now is no time to act on your own preconceptions or misjudgments. Wait until you have solid evidence before doing anything you cannot undo.

CANCER (June 21-July 22) -- Now is no time for you to throw caution to the wind. In fact, you would be wise to circle the wagons perhaps, as danger may be quite near.

LEO (July 23-Aug. 22) -- Your misinterpretation of certain circumstances today makes it difficult to communicate your needs properly. Take another look!

VIRGO (Aug. 23-Sept. 22) -- You don't want to make any excuses today, surely, but you will have a chance to offer up one or two very good reasons for doing what you did!

LIBRA (Sept. 23-Oct. 22) -- You may be fighting unusual fatigue all day long. This, combined with a sudden lack of enthusiasm, will be hard to combat -- but you can do it.

SCORPIO (Oct. 23-Nov. 21) -- Step away from things for a bit today and consider how you can better use your time and energy. You must be on board with changes.

SAGITTARIUS (Nov. 22-Dec. 21) -- You'll be grateful for someone's help today, but you may be put in a strange position when all is said and done. Consider all options.

CAPRICORN (Dec. 22-Jan. 19) -- You can take advantage of someone's lapse of attention today -- but don't do anything that you wouldn't ordinarily do. Play it safe.

AQUARIUS (Jan. 20-Feb. 18) -- Assess your prospects today before deciding where to place your bet. You must spend money wisely at this time and avoid any unusual spending.

PISCES (Feb. 19-March 20) -- You may find yourself addressing a situation today that you never imagined would arise. You and a loved one can handle it together, surely.
