MARCH 30, 2022

tonight's best

Jay Rosenblatt

9 p.m. on CW  
Kung Fu

After Dennis (Tony Chung) turns to Nicky (Olivia Liang) for some help, they stumble across an auto theft ring in Chinatown, in the new episode "Clementine." An argument about family leads to the first real fight between Nicky and Henry (Eddie Liu), who ultimately reconnects, however reluctantly, with his estranged father. Meanwhile, Evan (Gavin Stenhouse) faces a tough decision that could wind up costing him his job. Tzi Ma, Kheng Hua Tan, Shannong Dang and Jon Prasida also star.

9 p.m. on HGTV  
Why the Heck Did I Buy This House?

Designer, home renovator and mother of three Kim Wolfe brings the smarts and tenacity that helped her win Season 24 of "Survivor" to this new home improvement series, in which she rescues hapless homeowners who snapped up their home at first sight, but now are suffering a painful case of buyer's remorse. The series premiere features a couple whose love for a beautiful yard blinded them to the woeful house attached to it. Kim rebuilds their chaotic and cramped quarters into a home fit for a growing family.

9 p.m. on HBO  
Movie: When We Were Bullies

This Oscar-nominated documentary short from Jay Rosenblatt ("Phantom Limb") follows the filmmaker as he tracks down members of his fifth grade class to see what they might remember about a schoolyard bullying incident that took place 50 years ago. Using archival material, found footage, animated recreations and interviews with classmates and a teacher, Rosenthal weaves together a collage that revisits that moment in time that had been obscured by the elusive nature of memory yet still resonated decades later.

10 p.m. on FX  
Snowfall

Season 5 reaches its penultimate episode with "Lying in a Hammock," in which Jerome (Amin Joseph) is determined to track down Peaches (DeRay Davis). Meanwhile, the Saint crew finds itself sharply divided on the matter of the best action for them to take next. Damson Idris, Carter Hudson and Sergio Peris-Mencheta also star.
