YOUR BIRTHDAY by Stella Wilder

Born today, you know how to put your best foot forward in almost any situation because you are more adept than most at assessing whatever situation you may find yourself in and sizing up the people you encounter on a day-to-day basis. This ability to recognize things as they are serves you well in all manner of personal and professional situations.

THURSDAY, MARCH 31

**ARIES (March 21-April 19)** -- If it's more spending money you want, you must strategize. Doing things the "same old way" isn't likely to result in positive change.

**TAURUS (April 20-May 20)** -- You may be caught in the grip of something that is slowing you down to no discernable end. It's time to release yourself -- somehow!

**GEMINI (May 21-June 20)** -- Use all the time available to you today to work out a puzzle that has been presented to you by a rival. You needn't be slowed down at all.

**CANCER (June 21-July 22)** -- You will be required to say what's on your mind today in the most straightforward manner possible. Don't be tempted to elaborate at all!

**LEO (July 23-Aug. 22)** -- You recognize the story that is being told, but you may not understand how it relates to you. You'll soon discover you're a main character!

**VIRGO (Aug. 23-Sept. 22)** -- The confusion that keeps you from being as effective as usual in your work today is the result of a breakdown in communication. Rebuild it!

**LIBRA (Sept. 23-Oct. 22)** -- Like it or not, you're going to have to live by someone else's rules at least for the time being. Soon you may find a way to liberate yourself.

**SCORPIO (Oct. 23-Nov. 21)** -- You seem to know more about what's going on today than most other people, but you could be just guessing. Tell your secret to no one!

**SAGITTARIUS (Nov. 22-Dec. 21)** -- If it's in the stars for you to serve another today, so be it -- but if not, you may enjoy a rare opportunity to assert your leadership.

**CAPRICORN (Dec. 22-Jan. 19)** -- How you interpret the messages that arrive today from an unknown source will make all the difference; others rely on your expertise.

**AQUARIUS (Jan. 20-Feb. 18)** -- You have let yourself "wander" a bit too much over the past few days, and now is the time to get back down to business. Be specific!

**PISCES (Feb. 19-March 20)** -- You know what's just around the corner, but you aren't sure you'll be ready for it. Take any time available to strengthen your resolve.
