HOROSCOPES by Stella Wilder

FRIDAY, APRIL 1, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you are eager to get to the heart of things, but you're not one to enjoy being the engine that drives events. Rather, you enjoy being in close proximity to things so you can study them, learn about them and get to know them intimately, inside and out -- and then reflect upon them as you turn to something new. You are one of the world's great explorers, compelled to seek out new people, places, developments and adventures that keep you on your toes and guessing about what might come next.

GEMINI (May 21-June 20) -- Quality control is a primary issue today, and you'll want to get ahead of any negative influences to ensure that everyone knows what is at stake. CANCER (June 21-July 22) -- You don't want anyone else to tell your story at this time, for it is chock-full of details that matter and that no one else can possibly know. LEO (July 23-Aug. 22) -- Your approach to a routine problem makes it anything but routine today -- and others will be watching you eagerly, hoping for a permanent fix. VIRGO (Aug. 23-Sept. 22) -- You have what someone wants, but you mustn't let that become a point of contention between you. Share, if at all possible. LIBRA (Sept. 23-Oct. 22) -- What you see is not at all what you get today -- if you're unwilling to bend a little. Any concessions you make can only work in your favor. SCORPIO (Oct. 23-Nov. 21) -- You know

something is coming that will demand your attention, so be sure to tend to routine matters as quickly as possible today. SAGITTARIUS (Nov. 22-Dec. 21) -- Someone is willing to give you exactly what you ask for today, and you must be sure not to let it go to waste! CAPRICORN (Dec. 22-Jan. 19) -- You can keep track of developments only so far today; anything else you hear on faith if you can. AQUARIUS (Jan. 20-Feb. 18) -- Though your day may begin on a note of high expectation, later on you may find yourself dealing with a problem no one could have foreseen. PISCES (Feb. 19-March 20) -- You are able to enjoy the beginning of one thing and the end of something else today -- which proves more important remains to be seen.
