**HOROSCOPES** by Stella Wilder

WEDNESDAY, APRIL 6, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are a tremendous and studious individual blessed with a serene curiosity about the world around you -- and the will and talent required to do the kinds of things that can have a big and positive impact on the people in it. Even as a youngster, you likely proved far more serious than most of your peers, sometimes even forsaking play in order to immerse yourself in a book or hands-on study of the earth, sky or universe.

**THURSDAY, APRIL 7**  
**ARIES (March 21-April 19)** -- You'll have to make a few adjustments today to accommodate someone's needs, but it will be important for you not to wait to be asked.

**TAURUS (April 20-May 20)** -- Your reaction to the unexpected today will surely send a clear signal to those who are eager to know what you're about these days.

**GEMINI (May 21-June 20)** -- You may find yourself unusually susceptible to daydreaming today -- and one figure from your past is likely to appear to you again and again.

**CANCER (June 21-July 22)** -- Grant one person an unusual wish today and you'll end up granting many similar wishes. If that's all right with you, go ahead and be generous!

**LEO (July 23-Aug. 22)** -- Something mysterious is looming just over the next hill, and though it will take you some time to get there, you must begin preparing now.

**VIRGO (Aug. 23-Sept. 22)** -- Checking and double-checking to see that all is as it should be will take you more time than expected today, and a new start is delayed.

**LIBRA (Sept. 23-Oct. 22)** -- Putting each thing in its place is nothing new to you -- but today you may be tempted to shake things up a bit and thereby surprise your friends.

**SCORPIO (Oct. 23-Nov. 21)** -- You can grant someone in your care a little more freedom today -- but keep your eyes and ears open so you're aware of all that's going on.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Trouble at home has its roots in a decision you made some time ago. Today you realize this just in time to make an effective decision.

**CAPRICORN (Dec. 22-Jan. 19)** -- You are waiting for news from afar, but there's no need to delay your own start today. Get moving now, and adjust when the information arrives.

**AQUARIUS (Jan. 20-Feb. 18)** -- A friend or loved one is ready to step in should you falter today -- but they may be waiting in vain, as you're feeling strong and confident.

**PISCES (Feb. 19-March 20)** -- Now is no time for rash judgments. Pay attention to the goings-on around you, and look for reasons why you must do this, that or the other.
