TUESDAY, APRIL 19, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are always able to keep your head up, your eyes and ears open, and your mind engaged on what you are doing -- so much so, in fact, that you hardly ever let yourself fall prey to any kind of distraction while you are working toward your goals, be they personal or professional. Your single-minded nature and your ability to learn as you go will surely combine to win you far more battles than you lose.

WEDNESDAY, APRIL 20  
**TAURUS (April 20-May 20)** -- You may not be able to keep your opinions to yourself today -- but you can certainly express them in a way that is not likely to offend.

**GEMINI (May 21-June 20)** -- You receive a challenge today -- but from whom, and why? Before responding, be sure to learn exactly what is going on -- and who is involved.

**CANCER (June 21-July 22)** -- You may be facing a familiar situation today, but unlike last time, you're not equipped with the perfect response. How is this different?

**LEO (July 23-Aug. 22)** -- Despite your many talents, you may be facing a situation today about which saying or doing the right thing isn't likely to result in a solution.

**VIRGO (Aug. 23-Sept. 22)** -- You may be racing against the clock today, but you must also be sure that your work is up to par. You mustn't let speed affect accuracy!

**LIBRA (Sept. 23-Oct. 22)** -- You're depending on getting the usual response to what you offer today -- but that's your first mistake. The unexpected may come your way!

**SCORPIO (Oct. 23-Nov. 21)** -- You can score a major victory today despite what anyone around you may say about what you are doing and how you are doing it. Keep it up!

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You've been advised to take things one at a time today, but you are eager to see just how much you can manage all at once. Is this wise?

**CAPRICORN (Dec. 22-Jan. 19)** -- You are likely to succeed at something today in a manner that takes you back to another time and place. You know who you should thank.

**AQUARIUS (Jan. 20-Feb. 18)** -- The unidentified is likely to be quite significant to you today -- but someone you know can surely answer the trickiest questions for you.

**PISCES (Feb. 19-March 20)** -- You're likely to encounter someone who claims to be more of an "expert" than you -- but what does that mean, exactly? You both know a great deal!

**ARIES (March 21-April 19)** -- You can show off just a little today, even though someone close to you has warned you about blowing your own horn. Why not take a chance?
