**HOROSCOPES** by Stella Wilder

THURSDAY, APRIL 21, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are one of those ever-fortunate individuals who seems to stumble upon new opportunities again and again, and who knows how to make the best of situations as they arise. This certainly doesn't mean that you're not going to face your share of hardship or heartache in your lifetime, for you are just the kind of person to feel things deeply, even if and when they happen to others -- and it is this empathy that sets you apart.

FRIDAY, APRIL 22  
**TAURUS (April 20-May 20)** -- Your rules serve you well today, but you must realize that not everyone can live up to your high standards. Be willing to compromise at times.

**GEMINI (May 21-June 20)** -- You're working on a plan that could "change everything," but before you put it into motion, you'll want to get another's honest opinion of it.

**CANCER (June 21-July 22)** -- A quick demonstration may not be enough today; in order to get others to do what they are told, be ready to give very detailed instructions.

**LEO (July 23-Aug. 22)** -- You're becoming more and more involved in something that seems to be getting the better of you for some reason. Today's the day to opt out.

**VIRGO (Aug. 23-Sept. 22)** -- You can do much to alleviate the tension between two parties who claim to be allies of yours. In the end, all should run smoothly.

**LIBRA (Sept. 23-Oct. 22)** -- You may be afraid of doing too much at any one time, but the temptation to impress someone may simply be irresistible. Do what you will!

**SCORPIO (Oct. 23-Nov. 21)** -- A new approach increases your personal gains almost immediately -- but will you be able to keep up the pace? Be honest with yourself.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You should have no trouble fulfilling your responsibilities today -- and, in fact, you may be able to help another finish a job as well.

**CAPRICORN (Dec. 22-Jan. 19)** -- The so-called "chemistry" between you and a so-called "partner" is something you'll want to talk about earnestly today.

**AQUARIUS (Jan. 20-Feb. 18)** -- Things may not be running quite as smoothly or efficiently as you had hoped today, but one small adjustment improves the situation immensely.

**PISCES (Feb. 19-March 20)** -- What you want may not be within reach today, so you're going to have to satisfy yourself with a second or third choice -- which you can do!

**ARIES (March 21-April 19)** -- You may not understand why a friend or partner is remaining distant from you at this time -- but raising the issue today could be a mistake.
