Baker City Herald

Baker's track and field teams put on a dominant performance in winning the girls and boys team titles in a five-team meet Tuesday, April 19, at Ontario.

The Baker boys amassed 259 points to more than double up runner-up Ontario, with 114.5. Vale had 96.5 points, Harper 69 and Four Rivers 12.

In the girls meet, Baker had 222 points. Ontario was second with 147, Vale had 102, Four Rivers 15 and Harper 10.

Baker had many individual champions in both the girls and boys meets, including several who won multiple events.

On the girls side, Ryann Paulsen won the discus and javelin throws, and Zozie Ramos won the high jump and shot put.

Other individual winners included Emma Baeth in the 400 and Anna Belding in the 800. Baker's 4x400 relay team of Sofie Kaaen, Sydney Lamb, Sofia Hanson and Lani Pierce finished first.

In the boys meet, Tate Powell was a triple winner, claiming the discus, shot put and long jump, and Dash Bloomer won the triple jump and javelin.

Other individual winners were Wyatt Hawkins in the 400, Thaddeus Pepera in the high jump, Jordan Mills in the 3,000, Karsten Cikanek in the 1,500 and Angel DeArcos in the 800.

"This was a really fun meet," Baker coach Suzy Cole said. "There were just five schools and the purpose was to make sure athletes that are not able to compete in all their events on Fridays, due to the meet being a limited entry meet, had an opportunity. Then we also decided to make it a practice meet for many of the varsity athletes to just mix things up and run different events to train for their main events. Although stressful for some to go outside the box, they did awesome and had a lot of fun."

Cole said Ramos "had an incredible meet," setting a personal record with her 5-foot leap in the high jump. Ramos also had personal records in the 200 and javelin, and a season best throw in the shot put.

Meadoh Waldrop had personal records by significant distances in the discus, shot put and javelin, and Angel DeArcos had a strong meet, competing in the 200, 400, 800 and 4x400 relay.

"There were so many kids who tried new events, and/or crazy combinations it is hard to single them all out," Cole said. "Overall I was just so excited to see them try new events, support their teammates, and just being willing to take a risk."
