HOROSCOPES

by Stella Wilder

SUNDAY, APRIL 24, 2022 YOUR BIRTHDAY by Stella Wilder

Born today, you know, more often than not, precisely what's what -- and why that is so! You are knowledgeable, studious, curious and always on the lookout for that which can send you off on a new and exciting journey of exploration and discovery. You possess a "joie-de-vivre" that is almost catching; those who spend any time with you are likely to assume your positive and fun-loving attitude -- even when there is hard work to do.

MONDAY, APRIL 25

TAURUS (April 20-May 20) -- You likely have more at stake today than you even know, but a close friend has been keeping score and can tell you just what you're facing.

GEMINI (May 21-June 20) -- The more you dream, the less you'll do -- unless, of course, you are ready to combine thought and action in a new and productive way today!

CANCER (June 21-July 22) -- How you see yourself in five years has changed recently, and today is a good day to give yourself a very honest and thorough self-assessment.

LEO (July 23-Aug. 22) -- You can be there for someone today -- and your timing couldn't possibly be more perfect. This is not something you'll be able to repeat.

VIRGO (Aug. 23-Sept. 22) -- You are able to look a serious challenge directly in the face today -- and you'll recognize what it requires of you almost immediately.

LIBRA (Sept. 23-Oct. 22) -- You may wish you were anywhere but where you are today -- but, in truth, you're sitting pretty, and you simply need a friendly reminder!

SCORPIO (Oct. 23-Nov. 21) -- You may be strangely affected today by something that happened many days ago -- if not many weeks -- but isn't it time to move on?

SAGITTARIUS (Nov. 22-Dec. 21) -- You

can get things rolling today without causing too much disruption around you. Your primary goals are soon to be within reach.

CAPRICORN (Dec. 22-Jan. 19) -- You may receive permission to do something for which you're not likely to get a second chance -- so now is no time for a delay!

AQUARIUS (Jan. 20-Feb. 18) -- Someone's behavior is likely to tell you something about your own today -- especially when you are maneuvering behind closed doors.

PISCES (Feb. 19-March 20) -- You may be the subject of someone's emulation today, like it or not. Never fear, you shouldn't feel any additional pressure!

ARIES (March 21-April 19) -- Your potential may have decreased somewhat over the past few days, but today you'll want to raise the stakes and go after a valued prize.

MONDAY, APRIL 25, 2022 YOUR BIRTHDAY by Stella Wilder

Born today, you may not always be blessed with the kind of self-confidence that is at the core of all your great successes, but you can use any periods of uncertainty or doubt to reflect on who you are, where you've been and where you're going. Indeed, reflection itself is very important to you, in all its forms -- not least of which is the image you see in the mirror, for you can be rather vain at times, and you are quite adept at molding your exterior appearance to match your inner currents.

TUESDAY, APRIL 26

TAURUS (April 20-May 20) -- What goes on early in the day will prove most important later on, when you've had a little more time to absorb what it has done to you.

GEMINI (May 21-June 20) -- Let things come to you as they will, and don't try to control the stream of information. You'll know instinctively what really counts.

CANCER (June 21-July 22) -- Though others will be able to help you today, that doesn't mean they will or that you will benefit as hoped from the help you do receive.

LEO (July 23-Aug. 22) -- The danger you face today is made more serious by your own cavalier attitude. Now is not the time to give things less value than they deserve.

VIRGO (Aug. 23-Sept. 22) -- Others may be quite nervous about what lies ahead, but you have reason for optimism -- and that overall attitude allows you to conquer your fears.

LIBRA (Sept. 23-Oct. 22) -- You cannot expect to benefit from what happens today unless you are willing to accept that someone else knows more than you do right now.

SCORPIO (Oct. 23-Nov. 21) -- You may find something that is usually easy to be quite difficult today -- or vice versa. In either case, you'll want to investigate causes.

SAGITTARIUS (Nov. 22-Dec. 21) -- The

longer you wait to return someone's call, text or email, the more unwilling you'll be to do so. Get it done right now!

CAPRICORN (Dec. 22-Jan. 19) -- You may wonder at the reception one of your unconventional ideas has received. There's a change in the wind, and you're the reason for it.

AQUARIUS (Jan. 20-Feb. 18) -- You may not believe what someone else has to tell you today -- at first. The more you think about it, however, the more it rings true.

PISCES (Feb. 19-March 20) -- You can offer more than others are expecting today, but take care that you don't bite off more than you can chew. You know your limits.

ARIES (March 21-April 19) -- You don't really want to share in someone else's shame today, but you are in a position to help if the emotional toll is too high.
