

tonight s best

Adhir Kalyan

8:31 p.m. on CBS  
United States of AI

AI (Adhir Kalyan) decides he's finally ready to take his relationship with Cindy (guest star Jayma Mays) to the next level, but things go awry when he falls prey to a devastating attack of nerves in the new episode "Sock/Jeraab." Meanwhile, Riley (Parker Young) is stunned when he learns something about Vanessa (Kelli Goss) that leaves him wondering whether they are on the same page where their relationship is concerned. Elizabeth Alderfer and Farrah Mackenzie also star.

9 p.m. on CW  
Legacies

As Hope (Danielle Rose Russell) continues her fight against impossibly long odds, Lizzie (Jenny Boyd) comes up with a plan that might provide significant help in the new episode "I Wouldn't Be Standing Here If It Weren't for You." Meanwhile, Cleo (Omono Okojie) grows more apprehensive about what her fearsome visions could mean for those she loves, as Alaric (Matthew Davis) sends Kaleb, Ethan and MG (Chris Lee, Leo Howard, Quincy Fouse) on a high-stakes mission. Elsewhere, Landon (Aria Shahghasemi) makes a surprising discovery.

9 p.m. on MTV  
Siesta Key

Juliette's friends vehemently disapprove of her decision to get back with Sam, which forces her to make a difficult decision in the new episode "I Was Living a Lie With Him." Meanwhile, Sam and Chloe have conflicting ideas about what's really best for Juliette, and Chloe contemplates taking the next big step with Chris.

9:01 p.m. on FOX  
Call Me Kat

TV networks love crossover events, when they can use one of their shows to promote another one, but tonight's episode of this Mayim Bialik sitcom is synergy on steroids. Entitled "Call Me Flatch," the episode finds characters from time-slot neighbor "Welcome to Flatch" — Kelly and Shrub (Holmes, Sam Straley) — who drop by Kat's (Bialik) Cat Cafe in Louisville, Ky., during a road trip they're on. Robin Thicke from a third Fox series ("The Masked Singer") also makes a guest appearance.
