YOUR BIRTHDAY by Stella Wilder
Born today, you are known for your honest, direct and fair treatment of others and for your ability to reinvent yourself again and again as you navigate a busy life that is likely marked by alternating periods of soulful reflection and tremendously inspired, highly productive activity of all kinds. You're sure to be involved in all manner of projects and endeavors throughout your lifetime.
THURSDAY, MAY 5
TAURUS (April 20-May 20) -- Take the time to do things the right way today -- and if it's not available to you, make adjustments to increase your personal efficiency.
GEMINI (May 21-June 20) -- You want to be ready to act without delay when the call comes for you to join a certain endeavor, but take care your preparations aren't premature.
CANCER (June 21-July 22) -- You may be grappling with the expectations of others more than usual today. Remember that you are the only judge of what you "should" do.
LEO (July 23-Aug. 22) -- You are confident that you'll be ready when called today, but truly being so means that you must use any extra time to work on the finer points.
VIRGO (Aug. 23-Sept. 22) -- It may be time for you to delegate certain duties and responsibilities to another who is better prepared to deal with an unusual situation today.
LIBRA (Sept. 23-Oct. 22) -- You don't want to be limited by someone's lack of imagination or creativity, so it may be time for you to part ways.
SCORPIO (Oct. 23-Nov. 21) -- Just as times change, so do your needs and desires, and today you may realize that an old friend doesn't satisfy them anymore.
SAGITTARIUS (Nov. 22-Dec. 21) -- Even though certain developments do not suit your mood, you can make adjustments that allow you to maximize your potential.
CAPRICORN (Dec. 22-Jan. 19) -- Something you assumed would be "routine" is nothing of the sort today, and you're going to have to work hard to maintain the status quo.
AQUARIUS (Jan. 20-Feb. 18) -- You'll have the chance to share important information with someone today -- and you must do so if you're going to remain competitive.
PISCES (Feb. 19-March 20) -- Any attempt to keep things to yourself is likely to backfire, as it's the exchange of information that can prove so valuable to you and others today.
ARIES (March 21-April 19) -- You think you know better than anyone else what is required today, but you may not have all the available information. Get yourself updated.
